Congress passed the Desert Land Act of March 3, 1877 (19 Stat. 377; 43 U.S.C. 321-323), as amended by the Act of March 3, 1891 (26 Stat. 1096; 43 U.S.C. 231, 323, 325, 327-329) to encourage and promote the economic development of the arid and semiarid public lands. Through the Act, you may apply for a desert-land entry to reclaim, irrigate, and cultivate arid and semiarid public lands in the Western United States. The regulations in 43 CFR 2520 provide guidelines and procedures to obtain public lands under the Act.

You qualify to file a desert-land entry if you are a citizen of the United States; 21 years old; and a resident in the States of Arizona, California, Colorado, Idaho, Montana, New Mexico, North Dakota, South Dakota, Utah, Washington, or Wyoming (no residency is required in the State of Nevada).

You may apply for one or more tracts of public lands totaling no more than 320 acres. The lands must be surveyed or unsurveyed, unappropriated, non-mineral, and non-timber. The lands must be suitable for agricultural purposes and more valuable for that purpose than any other. The tracts of land must be sufficiently close to each other to manage satisfactorily as an economic unit.

You must locate lands you feel can be economically developed and determine the legal land description. You must contact the BLM State Office where the lands are located and verify the lands are available for desert-land entry application.

When BLM receives the application, we will examine your application for completeness and accuracy and classify the lands included in the application. BLM will approve your application if the lands are classified suitable for desert-land entry or reject your application if the lands are classified unsuitable for desert-land entry.

Based on past experience processing these applications, BLM estimates the public reporting burden for completing the Form 2520-1 is 90 minutes. BLM estimates that we receive approximately

20 applications annually, with a total annual burden of 30 hours.

Any member of the public may request and obtain, without charge, a copy of the BLM Form 2520-1 by contacting the person identified under **FOR FURTHER INFORMATION CONTACT**.

BLM will summarize all responses to this notice and include them in the request for OMB approval. All comments will become a matter of public record.

The BLM uses the information to determine if the applicant is eligible to acquire public lands under the Color-of-Title Act of December 22, 1928.

Congress passed the Color-of-Title Act of December 22, 1928 (45 Stat. 1069), as amended by the Act of July 28, 1953 (67 Stat. 227; 43 U.S.C. 1068-1068b), to provide for the transfer of legal title to public lands from the United States to eligible individuals, groups, or corporations who have a valid color-of-title claim. The regulations at 43 CFR part 2540 provide guidelines to file a color-of-title claim.

Any individual, group, or corporation that possesses valid evidence of a title to public lands administered by BLM may file a color-of-title application (Form 2540-2). The Act refers to Class I and Class II claims. A Class I is a claim:

(1) held in good faith and peaceful, adverse possession by a claimant, his ancestors or grantors, under claim or color-of-title for a minimum of 20 years; and

(2) where claimant or predecessors placed valuable improvements and cultivated part of the land.

A Class II is a claim held in good faith and peaceful, adverse possession by a claimant, his ancestors or grantors, under claim or color-of-title for the period commencing not later than January 1, 1901, to date of application, during which time they paid taxes levied on the land by State and local governmental units.

A claim is not held in good faith when held with knowledge that the land is owned by the United States. A claim is not held in peaceful, adverse possession if it was initiated while the land was withdrawn or reserved for Federal purposes.

When BLM receives the application, we will analyze the information, conduct an on-site field examination of the lands, and prepare reports. The BLM will approve your application if you meet the requirements of a Class I or Class II claim. We will reject your application if you do not meet the requirements of a Class I or Class II claim. Class II claims are discretionary and we may reject the application if the public interest in retention of the lands clearly outweighs the interest of the applicant.

Based on past experience processing these applications, BLM estimates the public reporting burden for completing the Form 2540-2 is one hour. BLM estimates that we receive approximately 37 applications annually, with a total annual burden of 37 hours.

Any member of the public may request and obtain, without charge, a copy of the BLM Form 2540-2 by contacting the person identified under **FOR FURTHER INFORMATION CONTACT**.

BLM will summarize all responses to this notice and include them in the request for OMB approval. All comments will become a matter of a public record.
