

of Intention may preclude a party from participating in the distribution proceeding. These notices are due September 16, 2002.

III. Motion of Phase I Claimants for Partial Distribution

During the pendency of any proceeding, the Librarian of Congress may distribute any amounts that are not in controversy, provided that sufficient funds are withheld to cover reasonable administrative costs and to satisfy all claims with respect to which a controversy exists under his authority set forth in section 1007(c) of the Copyright Act, title 17 of the United States Code. Pursuant to this provision, the American Society of Composers, Authors and Publishers; Broadcast Music, Inc.; SESAC, Inc.; The Harry Fox Agency, Inc.; and The Songwriters Guild of America (collectively, the "Settling Parties") submitted a motion to the Copyright Office on June 13, 2002, for a partial distribution of 95% of the Digital Audio Recording Funds Writers and Publishers Subfunds of 1999, 2000, and 2001 Musical Works royalty funds. The Motion states that the Settling Parties have reached a confidential settlement concerning their respective shares for the 1999, 2000 and 2001 Musical Works Funds.

A claimant who is not a party to the Settling Parties' Motion, but who files a Notice of Intention to Participate, may file a response to the motion no later than the due date set forth in this notice for comments on the existence of controversies and the Notices of Intention to Participate. The Motion of the Settling Parties for Partial Distribution of the 1999, 2000 and 2001 Musical Works Funds is available for inspection and copying in the Office of the General Counsel. The Office will consider the merits of this motion once all interested parties have been identified by the Notices of Intention requested herein and have had an opportunity to file responses to the motion.

IV. Consolidation of Proceedings

The Copyright Office is consolidating the consideration of the distribution of the 1999, 2000 and 2001 Musical Works Funds into a single proceeding in order to address the merits of the Settling Parties' motion for a partial distribution of funds from the 1999, 2000 and 2001 Musical Works Funds. The Copyright Office has routinely consolidated the consideration of the distribution of the Musical Works Funds for several years into a single proceeding where, as here, the issues regarding the distribution of the royalty fees are the same for each

year. The Copyright Office continues this practice because consolidation of the consideration of the distribution of the 1999, 2000 and 2001 Musical Works Funds provides a cost savings to the parties and to the Copyright Office and because it promotes administrative efficiencies.

Assistant General Counsel.
