- (1) The name of the individual/organization requesting use and how it is associated with NARA;
- (2) Which of the three official seals you want to use and how or on what it is going to be displayed. Provide a sample of the document or other material on which the seal is intended to appear. Mark the sample in all places where the seal would be displayed;

- (4) The dates of the event or activity for which you intend to display the seal.

(b) You must submit the request at least six weeks before you intend to use it to the Archivist of the United States (N), 8601 Adelphi Rd., College Park, MD 20740–6001.

(c) The OMB control number _____ has been assigned to the information collection contained in this section.

§ 1200.10 What Are NARA's criteria for approval?

NARA's criteria for approval are as follows:

(a) NARA must be participating in the event or activity by providing speakers, space, or other similar services (example: NARA co-sponsoring a symposium or conference).

(b) The seal is not going to be used on any article or in any manner that reflects unfavorably on NARA or endorses, either directly or by implication, commercial products or services, or a requestor's policies or activities.

§ 1200.12 How does NARA notify me of the determination?

NARA will notify you by mail of the final decision, usually within 3 weeks from the date we receive your request. If NARA approves your request, we will send you a camera-ready copy of the official seal along with an approval letter that will:

(a) Reference back to the submitted request (either through the date or another distinguishing characteristic) indicating approval of the specific use, as defined in the request; and

(b) Include NARA's conditions for use, which are identified in § 1200.14.

§ 1200.14 What are NARA's conditions for the use of the official seals?

If your request is approved, you must follow these conditions:

(a) Use the official seal only for the specific purpose for which approval was granted;

(b) Submit additional written requests for any uses other than the use granted in the approval letter;

(c) Do not delegate the approval to another individual(s) or organization without NARA's prior approval; and

(d) Do not change the official seals themselves. They must visually and physically appear as illustrated in § 1200.2, with no alterations.

(e) Only use the official seal for the time period designated in the approval letter (example: for the duration of a conference or exhibit).

Subpart D—Penalties for Misuse of NARA Seals

§ 1200.16 Will I be penalized for misusing the official seals?

(a) If you falsely make, forge, counterfeit, mutilate, or alter official seals, replicas, reproductions or embossing seals, or knowingly use or possess with fraudulent intent any altered seal, you are subject to penalties under 18 U.S.C. 506.

(b) If you use the official seals, replicas, reproductions, or embossing seals in a manner inconsistent with the provisions of this part, you are subject to penalties under 18 U.S.C. 1017 and to other provisions of law as applicable.

SUPPLEMENTARY INFORMATION:

I. Background

On June 10, 2002, the Secretary of Health and Human Services announced the launching of a new effort to streamline Medicare's paperwork requirements for home health nurses and therapists so that they can focus more on providing quality care to their patients.

The action is one of several steps announced to address interim recommendations from the Secretary's Advisory Committee on Regulatory Reform. Secretary Thompson created the panel of consumers, physicians, and other health care professionals to help guide HHS' broader efforts to streamline unnecessarily burdensome or inefficient regulations that interfere with the quality of health care for Americans.

Since 1999, Medicare has required home health agencies to complete the OASIS (Outcome Assessment Information Set) at regular intervals both to ensure Medicare pays appropriately and to assess and improve the quality of care provided by the home health agency. Committee members, however, made several recommendations for streamlining the assessment to achieve those goals more efficiently, allowing home health agencies to spend more resources providing care to their patients.

Acting on the committee's recommendations to date, we have already taken steps to revise the OASIS form and its use, and will begin implementation of the changes. These changes will be described at the OASIS town hall meeting. We are now interested in providing interested parties with the opportunity to propose additional changes to OASIS as part of
