Background

On February 23, 1993, the Department published the antidumping duty order on stainless steel butt-weld pipe fittings from Korea. *See Antidumping Duty Order: Certain Welded Stainless Steel Butt-Weld Pipe Fittings from Korea*, 58 FR 11029 (February 23, 1993). On August 31, 2001, TK Corporation, a producer and exporter of the subject merchandise during the period of review (POR), requested that the Department conduct an antidumping duty new shipper review of the antidumping duty order. TK Corporation certified it did not export subject merchandise to the United States during the period of the investigation (POI) (December 1, 1991 through May 30, 1992), and that it was not affiliated with any exporter or producer of the subject merchandise to the United States during the POI. TK Corporation also submitted documentation establishing the date on which it first shipped the subject merchandise for export to the United States, the volume shipped, and the date of the first sale to an unaffiliated customer in the United States. On October 5, 2001, the Department initiated a new shipper review of the antidumping duty order on stainless steel butt-weld pipe fittings from Korea. *See Stainless Steel Butt-Weld Pipe Fittings from Korea: Notice of Initiation of New Shipper Antidumping Duty Review*, 66 FR 51017 (October 5, 2001). On October 12, 2001, the Department issued its antidumping duty questionnaire. On November 9, 2001, the Department received TK Corporation's Section A response to the questionnaire; TK Corporation filed its Sections B and C responses on November 30, 2001. On January 22, 2002, the Department issued a Sections A-C supplemental questionnaire, to which TK Corporation responded on February 6, 2002.

On April 3, 2002 the Department extended the time limit for completion of the preliminary results. *See Notice of Extension of Time Limit of Preliminary*
