

payments must be electronically deposited into an interest-bearing account in the U.S. Treasury (account specified in the EFT instructions) by 2 p.m. Eastern Time the day following bid reading. Such a deposit does not constitute and shall not be construed as acceptance of any bid on behalf of the United States.

Please note: Certain bid submitters (*i.e.*, those that do NOT currently own or operate an OCS mineral lease OR those that have ever defaulted on a 1/5th bonus payment (EFT or otherwise)) are required to guarantee (secure) their 1/5th bonus payment prior to the submission of bids. For those who must secure the EFT 1/5th bonus payment, one of the following options may be used: 1. Provide a third-party guaranty; 2. Amend Development Bond Coverage; 3. Provide a Letter of Credit; or 4. Provide a lump sum payment via EFT. The EFT instructions specify the requirements for each option.

Withdrawal of Blocks

The United States reserves the right to withdraw any block from this sale prior to issuance of a written acceptance of a bid for the block.

Acceptance, Rejection, or Return of Bids

The United States reserves the right to reject any and all bids. In any case, no bid will be accepted, and no lease for any block will be awarded to any bidder, unless the bidder has complied with all requirements of this Notice, including the documents contained in the associated Final Notice of Sale 184 Package and applicable regulations; the bid is the highest valid bid; and the amount of the bid has been determined to be adequate by the authorized officer. The Attorney General may also review the results of the lease sale prior to the acceptance of bids and issuance of leases. Any bid submitted which does not conform to the requirements of this Notice, the OCS Lands Act, as amended, and other applicable regulations may be returned to the person submitting that bid by the RD and not considered for acceptance. To ensure that the Government receives a fair return for the conveyance of lease rights for this sale, high bids will be evaluated in accordance with MMS bid adequacy procedures. A copy of the current procedures, "Modifications to the Bid Adequacy Procedures" (64 FR 37560 of July 12, 1999), is available from the MMS Gulf of Mexico Region's Public Information Unit or via the Internet.

Successful Bidders

As required by MMS, each company that has been awarded a lease must execute all copies of the lease (Form MMS-2005 (March 1986) as amended),

pay by EFT the balance of the cash bonus bid along with the first year's rental for each lease issued in accordance with the requirements of 30 CFR 218.155, and satisfy the bonding requirements of 30 CFR 256, Subpart I, as amended. Each bidder in a successful high bid must have on file, in the MMS Gulf of Mexico Region's Adjudication Unit, a currently valid certification (Debarment Certification Form) certifying that the bidder is not excluded from participation in primary covered transactions under Federal nonprocurement programs and activities. A certification previously provided to that office remains currently valid until new or revised information applicable to that certification becomes available. In the event of new or revised applicable information, the MMS will require a subsequent certification before lease issuance can occur. Persons submitting such certifications should review the requirements of 43 CFR part 12, subpart D. A copy of the Debarment Certification Form is contained in the Final Notice of Sale 184 Package.

Affirmative Action

The MMS *requests* that the certification required by 41 CFR 60-1.7(b) and Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 11375 of October 13, 1967, on the Compliance Report Certification Form, Form MMS-2033 (June 1985), and the Affirmative Action Representation Form, Form MMS-2032 (June 1985), be on file in the MMS Gulf of Mexico Region's Adjudication Unit prior to bidding. In any event, these forms are required to be on file in the MMS Gulf of Mexico Region's Adjudication Unit prior to execution of any lease contract. Bidders must also comply with the requirements of 41 CFR part 60.

Information to Lessees:

The Final Notice of Sale 184 Package contains a document titled "Information To Lessees." These Information To Lessees items provide information on various matters of interest to potential bidders.
