whole acre and multiply by the applicable dollar amount to determine the correct minimum bid, rental, or minimum royalty.

Please note: For the minimum bid only, if the calculation results in a decimal figure, round up to the next whole dollar amount (see next paragraph). The minimum bid calculation, including all rounding, is shown in the document "List of Blocks Available for Leasing in Western Gulf of Mexico OCS Oil and Gas Sale 184" included in the Final Notice of Sale 184 Package.

Method of Bidding

For each block bid upon, a bidder must submit a separate signed bid in a sealed envelope labeled "Sealed Bid for Oil and Gas Lease Sale 184, not to be opened until 9 a.m., Wednesday, August 21, 2002." The total amount bid must be in a whole dollar amount; any cent amount above the whole dollar will be ignored by the MMS. Details of the information required on the bid(s) and the bid envelope(s) are specified in the document "Bid Form and Envelope" contained in the Final Notice of Sale 184 Package.

The MMS published a list of restricted joint bidders, which applies to this sale, in the **Federal Register** at 67 FR 18033 on April 12, 2002. Bidders must execute all documents in conformance with signatory authorizations on file in the MMS Gulf of Mexico Region's Adjudication Unit. Partnerships also must submit or have on file a list of signatories authorized to bind the partnership. Bidders submitting joint bids must state on the bid form the proportionate interest of each participating bidder, in percent to a maximum of five decimal places, e.g., 33.33333 percent. The MMS may require bidders to submit other documents in accordance with 30 CFR 256.46. The MMS warns bidders against violation of 18 U.S.C. 1860 prohibiting unlawful combination or intimidation of bidders. Bidders are advised that the MMS considers the signed bid to be a legally binding obligation on the part of the bidder(s) to comply with all applicable regulations, including paying the $\frac{1}{5}$ th bonus on all high bids. A statement to this effect must be included on each bid (see the document "Bid Form and Envelope" contained in the Final Notice of Sale 184 Package).

Bid Deposit

Submitters of high bids must deposit the $\frac{1}{5}$ th bonus by using electronic funds transfer procedures, following the detailed instructions contained in the document "Instructions for Making EFT Bonus Payments" included in the Final Notice of Sale 184 Package. All

Such a deposit does not constitute and shall not be construed as acceptance of any bid on behalf of the United States.

Please note: Certain bid submitters (*i.e.*, those that do NOT currently own or operate an OCS mineral lease OR those that have ever defaulted on a 1/5th bonus payment (EFT or otherwise)) are required to guarantee (secure) their 1/5th bonus payment prior to the submission of bids. For those who must secure the EFT 1/5th bonus payment, one of the following options may be used: 1. Provide a third-party guaranty; 2. Amend Development Bond Coverage; 3. Provide a Letter of Credit; or 4. Provide a lump sum payment via EFT. The EFT instructions specify the requirements for each option.

Withdrawal of Blocks

The United States reserves the right to withdraw any block from this sale prior to issuance of a written acceptance of a bid for the block.

Acceptance, Rejection, or Return of Bids

The United States reserves the right to reject any and all bids. In any case, no bid will be accepted, and no lease for any block will be awarded to any bidder, unless the bidder has complied with all requirements of this Notice, including the documents contained in the associated Final Notice of Sale 184 Package and applicable regulations; the bid is the highest valid bid; and the amount of the bid has been determined to be adequate by the authorized officer. The Attorney General may also review the results of the lease sale prior to the acceptance of bids and issuance of leases. Any bid submitted which does not conform to the requirements of this Notice, the OCS Lands Act, as amended, and other applicable regulations may be returned to the person submitting that bid by the RD and not considered for acceptance. To ensure that the Government receives a fair return for the conveyance of lease rights for this sale, high bids will be evaluated in accordance with MMS bid adequacy procedures. A copy of the current procedures, "Modifications to the Bid Adequacy Procedures" (64 FR 37560 of July 12, 1999), is available from the MMS Gulf of Mexico Region's Public Information Unit or via the Internet.

Successful Bidders

As required by MMS, each company that has been awarded a lease must execute all copies of the lease (Form MMS-2005 (March 1986) as amended),

pay by EFT the balance of the cash bonus bid along with the first year's rental for each lease issued in accordance with the requirements of 30 CFR 218.155, and satisfy the bonding requirements of 30 CFR 256, Subpart I, as amended. Each bidder in a successful high bid must have on file, in the MMS Gulf of Mexico Region's Adjudication Unit, a currently valid certification (Debarment Certification Form) certifying that the bidder is not excluded from participation in primary covered transactions under Federal nonprocurement programs and activities. A certification previously provided to that office remains currently valid until new or revised information applicable to that certification becomes available. In the event of new or revised applicable information, the MMS will require a subsequent certification before lease issuance can occur. Persons submitting such certifications should review the requirements of 43 CFR part 12, subpart D. A copy of the Debarment Certification Form is contained in the Final Notice of Sale 184 Package.

Affirmative Action

The MMS *requests* that the certification required by 41 CFR 60-1.7(b) and Executive Order No. 11246 of September 24, 1965, as amended by Executive Order No. 11375 of October 13, 1967, on the Compliance Report Certification Form, Form MMS-2033 (June 1985), and the Affirmative Action Representation Form, Form MMS-2032 (June 1985), be on file in the MMS Gulf of Mexico Region's Adjudication Unit prior to bidding. In any event, these forms are required to be on file in the MMS Gulf of Mexico Region's Adjudication Unit prior to execution of any lease contract. Bidders must also comply with the requirements of 41 CFR part 60.
