

On May 13, 2002, Customs published in the **Federal Register** (67 FR 32082) a general notice setting forth procedures for importers to follow in order to ensure uninterrupted bond coverage and avoid the need to file an application for a new continuous bond. That notice provided that each party having a continuous bond of any type involving activity code 1 to 5 that has an effective date of September 11, 2001, or earlier and that was filed at either of the two ports referred to above and that was in effect on the date of publication of the notice must, within 30 days of the date of publication of the notice (that is, on or before June 12, 2002), provide Customs with a copy of that bond together with the Customs bond number and copies of any riders to the bond. The notice further stated that failure to provide a copy of the bond within the prescribed 30-day period would cause Customs to refuse to accept a reference to the bond to guarantee future transactions and that, if a copy of the bond could not be provided, the party must submit to Customs a new continuous bond application within the same 30-day period. For purposes of that notice, the term "party" referred to any individual or business association that prior to, or on or after, September 11, 2001, had engaged in activities secured by a continuous bond described above as having been destroyed on that

date, either by virtue of being listed as a "Principal" on the bond or by virtue of being listed as a user in "Section III" on the bond. Finally, the May 13, 2002, notice stated that the copy of the continuous bond or the new continuous bond application should be sent to either of the following addresses:
U.S. Customs Service, Attention: Bond Desk, 1210 Corbin Street, Elizabeth, New Jersey 07201;
or,
U.S. Customs Service, Attention: Bond Desk, Bldg. 77, JFK Airport, Jamaica, New York 11430.

Extension of Submission Period

Following publication of the May 13, 2002, notice, various trade associations advised Customs that additional time would be required for their members to comply with the procedures set forth in the notice. Moreover, Customs has, to date, received significantly fewer copies of bonds or new bond applications than it expected to receive. Customs therefore has determined that an additional 60 days should be allowed for submission of the prescribed bond information or a new bond application.

Accordingly, subject to the other terms and conditions of the May 13, 2002, notice as described above, Customs will continue to accept a copy of a destroyed bond or a new continuous bond application until

August 12, 2002. Failure to provide a copy of a destroyed bond by that date will cause Customs to refuse to accept a reference to the bond to guarantee future transactions.

Dated: July 16, 2002.
