[A-552-801]

Initiation of Antidumping Duty Investigation: Certain Frozen Fish Fillets From the Socialist Republic of Vietnam

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: July 24, 2002.

FOR FURTHER INFORMATION CONTACT: Alex Villanueva or Lisa Shishido, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230;

telephone: (202) 482-3208, (202) 482-0413, respectively.

Initiation of Investigation

The Applicable Statute and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Tariff Act of 1930 ("Act") by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department of Commerce's regulations are to 19 CFR Part 351 (2002).

The Petition

On June 28, 2002, the Department of Commerce ("Department") received a petition on imports of certain frozen fish fillets from the Socialist Republic of Vietnam ("Vietnam") filed in proper form by Catfish Farmers of America ("CFA") and the individual U.S. catfish processors America's Catch Inc.; Consolidated Catfish Co., L.L.C.; Delta Pride Catfish, Inc.; Harvest Select Catfish, Inc.; Heartland Catfish Company; Pride of the Pond; Simmons Farm Raised Catfish, Inc.; and Southern Pride Catfish Co., Inc., hereinafter referred to collectively as "the Petitioners." On July 3, 2002, the Department requested clarification of certain areas of the petition and received a response on July 10, 2002. A second request for clarification was sent on July 9, 2002, and the Department received a response on July 11, 2002.

In accordance with section 732(b) of the Act, the Petitioners allege that imports of certain frozen fish fillets from Vietnam are being, or are likely to be, sold in the United States at less than fair value within the meaning of section 731 of the Act, and that such imports are materially injuring and threaten to injure an industry in the United States.

The Petitioners are domestic farmers and processors of catfish and account for over fifty percent of domestic production of catfish fillets, as defined in the petition. Therefore, the Department finds that the Petitioners have standing to file the petition because they are interested parties as defined under section 771(9)(C) of the Act, with respect to the merchandise subject to this investigation. The

Petitioners have demonstrated sufficient industry support with respect to the antidumping duty investigation they are requesting the Department to initiate (see "Determination of Industry Support for the Petition" below).

Scope of Investigation

For purposes of this investigation, the product covered is frozen fish fillets, including regular, shank, and strip fillets, whether or not breaded or marinated, of the species *Pangasius Bocourti*, *Pangasius Hypophthalmus* (also known as *Pangasius Pangasius*), and *Pangasius Micronemus*. The subject merchandise will be hereinafter referred to as frozen "basa" and "tra" fillets, which are the Vietnamese common names for these species of fish. These products are classifiable under article codes 0304.20.60.30 (Frozen Catfish Fillets), 0304.20.60.96 (Frozen Fish Fillets, NESOI), 0304.20.60.43 (Frozen Freshwater Fish Fillets) and 0304.20.60.57¹ (Frozen Sole Fillets) of the Harmonized Tariff Schedule of the United States ("HTSUS"). This investigation covers all frozen fish fillets meeting the above specification, regardless of tariff classification.

Although the HTSUS subheadings are provided for convenience and customs purposes, our written description of the scope of this proceeding is dispositive.

During our review of the petition, we discussed the scope with the Petitioners to ensure that it accurately reflects the product for which the domestic industry is seeking relief. Moreover, as discussed in the preamble to the Department's regulations, we are setting aside a period for interested parties to raise issues regarding product coverage. See *Antidumping Duties; Countervailing Duties; Final Rule*, 62 FR 27295, 27323 (1997). The Department encourages all interested parties to submit such comments within 20 calendar days of publication of this notice.

Comments should be addressed to Import Administration's Central Records Unit at Room 1870, U.S. Department of Commerce, 14th Street

¹ The Petitioners have included this tariff classification code because they believe that the merchandise under investigation is entering the United States under this classification based on previous uses of the term 'sole' to describe Vietnamese basa and tra.
