#### Postponement of Preliminary Determination

The Department of Commerce (the Department) is postponing the deadline for issuance of the preliminary determination in the antidumping duty investigation of certain ball bearings and parts thereof from the People's Republic of China until October 1, 2002.

On March 25, 2002, the Department initiated the above-referenced investigation. *See Notice of Initiation of Antidumping Duty Investigation: Certain Ball Bearings and Parts Thereof from the People's Republic of China*, 67 FR 15787 (April 3, 2002). Section 733(b)(1)(A) of the Tariff Act of 1930, as amended (the Act), states that the

Department of Commerce (the Department) will issue the preliminary determination of an antidumping duty investigation within 140 days after the date of initiation. Therefore, the notice of initiation stated that the Department would issue its preliminary determination no later than August 12, 2002.

On July 16, 2002, the American Bearing Manufacturers Association (petitioner) made a request pursuant to 19 CFR 351.205(e) for a 50-day postponement of the preliminary determination, pursuant to section 733(c)(1)(A) of the Tariff Act of 1930, as amended, (the Act). Petitioner's request for postponement was timely, and the Department finds no compelling reason to deny the request. See memorandum from Melissa Skinner to Bernard T. The Department will issue the final determination in this investigation no later than 75 days after the signature date of the preliminary determination.

This notice of postponement is in accordance with section 733(c) of the Act and 19 CFR 351.205(b)(2).

Dated: July 22, 2002.
