

Act'')<sup>1</sup> requires all registered clearing agencies to file with the Commission three copies of all materials they issue or make generally available to their participants or other entities with whom they have a significant relationship. The filings with the Commission must be made within ten days after the materials are issued, and when the Commission is not the appropriate regulatory agency, the clearing agency must file one copy of the material with its appropriate regulatory agency. The Commission is responsible for overseeing clearing agencies and uses the information filed pursuant to Rule 17a-22 to determine whether a clearing agency is implementing procedural or policy changes. The information filed aids the Commission in determining whether such changes are consistent with the purposes of Section 17A of the Exchange Act. Also, the Commission uses the information to determine whether a clearing agency has changed its rules without reporting the actual or prospective change to the Commission as required under Section 19(b) of the Exchange Act.

The respondents to Rule 17a-22 generally are registered clearing agencies.<sup>2</sup> The frequency of filings made by clearing agencies pursuant to Rule 17a-22 varies, but on average there are approximately 200 filings per year per clearing agency. Because the filings consist of materials that have been prepared for widespread distribution, the additional cost to the clearing agencies associated with submitting copies to the Commission is relatively small. The Commission staff estimates that the cost of compliance with Rule 17a-22 to all registered clearing agencies is approximately \$5,220. This represents one dollar per filing in postage, or a total of \$3,600. The remaining \$1,620 (or approximately 31% of the total cost of compliance) is the estimated cost of additional printing, envelopes, and other administrative expenses. (The estimated total cost per response is \$1.45 per page representing \$1.00 per page in postage plus \$0.45 for printing, envelopes, and other administrative expenses.)

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General Comments regarding the estimated burden hours should be

directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10202, New Executive Office Building, Washington, DC 20503; and (ii) Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-46258; File No. SR-Amex-2002-52]

### Self-Regulatory Organizations; the American Stock Exchange LLC; Order Granting Approval to a Proposed Rule Change To Establish Anti-Money Laundering Compliance Programs

July 25, 2002.

On June 3, 2002, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder.<sup>2</sup> The proposed rule change would require members and member organizations to establish anti-money laundering compliance programs meeting specific minimum standards. Notice of the proposed rule change was published in the **Federal Register** on June 20, 2002.<sup>3</sup> The Commission received no comments on the proposal.

The Commission has reviewed carefully the Amex's proposed rule change, and finds, for the reasons set forth below, that the proposal is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b)(5)<sup>4</sup> of the Act. Section 6(b)(5) requires the rules of a registered national securities exchange be designed to prevent fraudulent and manipulative acts and practices, to

promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Commission finds that the Amex's proposal accurately, reasonably, and efficiently implements the requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 as it applies to the Amex's members. The Commission also recognizes that anti-money laundering compliance programs will evolve over time, and that improvements to these programs are inevitable as members find new ways to combat money laundering and to detect suspicious activities.

For these reasons, the Commission finds that the proposed rule change is consistent with the provisions of the Act, in general, and with Section 6(b)(5).

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,<sup>5</sup> that the proposed rule change (SR-Amex-2002-52) be, and hereby is, approved.<sup>6</sup>

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>7</sup>
