## SECURITIES AND EXCHANGE COMMISSION

### Submission for OMB Review; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

*Extension:* Rule 15c2-5; SEC File No. 270-195; OMB Control No. 3235-0198; Rule 15Ba2-5 SEC File No. 270-91; OMB Control No. 3235-0088.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget requests for extension of the previously approved collections of information discussed below.

Rule 15c2-5 (17 CFR 240.15c2-5) prohibits a broker-dealer from arranging or extending a loan to customers, not subject to Regulation T (12 CFR 220), in connection with the offer or sale of securities unless, before entering the transaction, the broker-dealer: (1) Delivers to the customer a written statement containing specific information concerning the terms, obligations, risks and charges of the loan; (2) obtains from the customer sufficient financial information to determine that the entire transaction is suitable for the customer; and (3) retains on file and makes available to the customer a written statement setting forth the broker-dealer's basis for determining that the transaction was suitable. The collection of information required by the rule is necessary to execute the Commission's mandate under the Securities Exchange Act of 1934 ("Exchange Act") to prevent fraudulent, manipulative, and deceptive acts and practices by broker-dealers.

There are approximately 50 respondents that require an aggregate total of 600 hours to comply with the rule. Each of these approximately 50 registered broker-dealers makes an

estimated 6 annual responses, for an aggregate total of 300 responses per year. Each response takes approximately 2 hours to complete. Thus, the total compliance burden per year is 600 burden hours. The approximate cost per hour is \$24.00 (based on an annual salary of \$32,050 for clerical labor plus an additional 35% to account for overhead costs, totaling \$43,268), resulting in a total compliance cost of \$14,400 (600 hours @ \$24.00 per hour).

Although Rule 15c2-5 does not specify a retention period or record keeping requirement under the rule, nevertheless broker-dealers are required to preserve the records for a period no less than six years pursuant to Rule 17a-4(c). The information required under Rule 15c2-5 is necessary for broker-dealers to engage in the lending activities prescribed in the rule. Rule 15c2-5 does not assure confidentiality for the information retained under the rule.<sup>1</sup>

On July 7, 1975, effective July 16, 1975 (*see* 41 FR 28948, July 14, 1975), the Commission adopted Rule 15Ba2-5 (17 CFR 240.15Ba2-5) under the Exchange Act to permit a duly-appointed fiduciary to assume immediate responsibility for the operation of a municipal securities dealer's business. Without the rule, the fiduciary would not be able to assume operation until it registered as a municipal securities dealer. Under the rule, the registration of a municipal securities dealer is deemed to be the registration of any executor, administrator, guardian, conservator, assignee for the benefit of creditors, receiver, trustee in insolvency or bankruptcy, or other fiduciary, appointed or qualified by order, judgment, or decree of a court of competent jurisdiction to continue the business of such municipal securities dealer, provided that such fiduciary files with the Commission, within 30 days after entering upon the performance of his duties, a statement setting forth as to such fiduciary substantially the same information required by Form MSD or Form BD. The statement is necessary to ensure that the Commission and the public have

<sup>1</sup> The records required by Rule 15c2-5 would be available only to the examination of the Commission staff, state securities authorities and the SROs. Subject to the provisions of the Freedom of Information Act, 5 U.S.C. 522, and the Commission's rules thereunder (17 CFR 200.80(b)(4)(iii)), the Commission does not generally publish or make available information contained in any reports, summaries, analyses, letters, or memoranda arising out of, in anticipation of, or in connection with an examination or inspection of the books and records of any person or any other investigation.

adequate information about the fiduciary.

There is approximately 1 respondent per year that requires an aggregate total of 4 hours to comply with this rule. This respondent makes an estimated 1 annual response. Each response takes approximately 4 hours to complete. Thus, the total compliance burden per year is 4 burden hours. The approximate cost per hour is \$20, resulting in a total cost of compliance for the respondent of approximately \$80 (*i.e.*, 4 hours x \$20).

Please note that an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Written comments regarding the above information should be directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10202, New Executive Office Building, Washington, DC 20503; and (ii) Michael E. ## SECURITIES AND EXCHANGE COMMISSION

### Submission for OMB Review; Comment Request

*Upon Written Request, Copies Available From:* Securities and Exchange Commission, Office of Filings and Information Services, Washington, DC 20549.

*Extension:* Rule 17a-22; SEC File No. 270-202; OMB Control No. 3235-0196.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

- Rule 17a-22 Supplemental Material of Registered Clearing Agencies

Rule 17a-22 under the Securities Exchange Act of 1934 ("Exchange

Act'')<sup>1</sup> requires all registered clearing agencies to file with the Commission three copies of all materials they issue or make generally available to their participants or other entities with whom they have a significant relationship. The filings with the Commission must be made within ten days after the materials are issued, and when the Commission is not the appropriate regulatory agency, the clearing agency must file one copy of the material with its appropriate regulatory agency. The Commission is responsible for overseeing clearing agencies and uses the information filed pursuant to Rule 17a-22 to determine whether a clearing agency is implementing procedural or policy changes. The information filed aids the Commission in determining whether such changes are consistent with the purposes of Section 17A of the Exchange Act. Also, the Commission uses the information to determine whether a clearing agency has changed its rules without reporting the actual or prospective change to the Commission as required under Section 19(b) of the Exchange Act.

The respondents to Rule 17a-22 generally are registered clearing agencies.<sup>2</sup> The frequency of filings made by clearing agencies pursuant to Rule 17a-22 varies, but on average there are approximately 200 filings per year per clearing agency. Because the filings consist of materials that have been prepared for widespread distribution, the additional cost to the clearing agencies associated with submitting copies to the Commission is relatively small. The Commission staff estimates that the cost of compliance with Rule 17a-22 to all registered clearing agencies is approximately \$5,220. This represents one dollar per filing in postage, or a total of \$3,600. The remaining \$1,620 (or approximately 31% of the total cost of compliance) is the estimated cost of additional printing, envelopes, and other administrative expenses. (The estimated total cost per response is \$1.45 per page representing \$1.00 per page in postage plus \$0.45 for printing, envelopes, and other administrative expenses.)

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

General Comments regarding the estimated burden hours should be

directed to the following persons: (i) Desk Officer for the Securities and Exchange Commission, Office of Information and Regulatory Affairs, Office of Management and Budget, Room 10202, New Executive Office Building, Washington, DC 20503; and (ii) Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 5th Street, NW., Washington, DC 20549. Comments must be submitted to OMB within 30 days of this notice.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-46258; File No. SR-Amex-2002-52]

### Self-Regulatory Organizations; the American Stock Exchange LLC; Order Granting Approval to a Proposed Rule Change To Establish Anti-Money Laundering Compliance Programs

July 25, 2002.

On June 3, 2002, the American Stock Exchange LLC ("Amex" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder.<sup>2</sup> The proposed rule change would require members and member organizations to establish anti-money laundering compliance programs meeting specific minimum standards. Notice of the proposed rule change was published in the *Federal Register* on June 20, 2002.<sup>3</sup> The Commission received no comments on the proposal.

The Commission has reviewed carefully the Amex's proposed rule change, and finds, for the reasons set forth below, that the proposal is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b)(5)<sup>4</sup> of the Act. Section 6(b)(5) requires the rules of a registered national securities exchange be designed to prevent fraudulent and manipulative acts and practices, to

promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest.

The Commission finds that the Amex's proposal accurately, reasonably, and efficiently implements the requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 as it applies to the Amex's members. The Commission also recognizes that anti-money laundering compliance programs will evolve over time, and that improvements to these programs are inevitable as members find new ways to combat money laundering and to detect suspicious activities.

For these reasons, the Commission finds that the proposed rule change is consistent with the provisions of the Act, in general, and with Section 6(b)(5).

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,<sup>5</sup> that the proposed rule change (SR-Amex-2002-52) be, and hereby is, approved.<sup>6</sup>

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>7</sup>
