Monetary Allowances for Certain Children of Vietnam Veterans; Identification of Covered Birth Defects

AGENCY: Department of Veterans Affairs.

ACTION: Final rule.

SUMMARY: This document amends the Department of Veterans Affairs (VA) adjudication regulations to provide for payment of a monetary allowance for an individual with disability from one or more covered birth defects who is a child of a woman Vietnam veteran and to provide for the identification of covered birth defects, to implement recent legislation. In addition, this document amends the VA adjudication regulations affecting benefits for Vietnam veterans' children with spina bifida to reflect that legislation, to make conforming changes, and to remove unnecessary or obsolete provisions.

DATES: *Effective Date:* July 31, 2002.

Applicability Date: Benefits are payable in accordance with this rule retroactively to December 1, 2001, the effective date of the applicable statutory provisions.

FOR FURTHER INFORMATION CONTACT:

Caroll McBrine, M.D., Consultant, Regulations Staff (211A), Compensation and Pension Service, Veterans Benefits Administration, Department of Veterans Affairs, 810 Vermont Avenue, NW., Washington, DC 20420, (202) 273-7230.

SUPPLEMENTARY INFORMATION: In a document published in the **Federal Register** on January 2, 2002 (67 FR 200), we proposed to amend the VA adjudication regulations to provide for payment of a monetary allowance for an individual with disability from one or more covered birth defects who is a child of a woman Vietnam veteran and to provide for the identification of covered birth defects, to implement provisions in recent legislation. In addition, we proposed to amend the VA adjudication regulations affecting benefits for Vietnam veterans' children with spina bifida to reflect that legislation, to make conforming changes, and to remove unnecessary or obsolete provisions. Companion proposed rule documents concerning the provision under that legislation of health care (RIN: 2900-AK88) (67 FR 209) and vocational training benefits (RIN: 2900-AK90) (67 FR 215) for eligible children of Vietnam veterans were also set forth in the January 2, 2002, issue of the **Federal Register**.

That legislation, section 401 of the Veterans Benefits and Health Care Improvement Act of 2000, Public Law 106-419, amended chapter 18 of title 38, United States Code, effective December 1, 2001, to authorize VA to provide certain benefits, including a monthly monetary allowance, for children with covered birth defects who are the natural children of women

veterans who served in the Republic of Vietnam during the Vietnam era. We provided a thirty-day period for public comments, which ended on February 1, 2002. We received one comment, from an individual.

The commenter felt that the U.S. government is displaying a bias in favor of women veterans in this regulation and that the hidden effect of Agent Orange may also have remained dormant in men's systems and produced chromosomal disorders in their children. No changes are made based on this comment. Public Law 106-419, which was based on a comprehensive health study conducted by VA of 8,280 women Vietnam-era veterans (as discussed in the **SUPPLEMENTARY INFORMATION** section of the proposed rule), provides benefits specifically for women Vietnam veterans' children with certain birth defects. We have no legal authority to award the new benefits to children of male Vietnam veterans.

VA appreciates the comment submitted in response to the proposed rule. Based on the rationale set forth in the proposed rule and in this document, we are adopting the provisions of the proposed rule as a final rule without change, except for nonsubstantive changes for purposes of clarity.

Administrative Procedure Act

Because this rule solely provides for new benefits and makes nonsubstantive changes, there is under 5 U.S.C. 553 no need for a 30-day delay of the effective date of this rule.

Applicability Date

Benefits are payable retroactively in accordance with this rule to December 1, 2001, the effective date of the new benefit programs enacted by section 401 of Public Law 106-419.

Paperwork Reduction Act of 1995

This rule removes the approved information collection provisions contained in 38 CFR 3.814 as unnecessary or obsolete. This rule contains no provisions constituting new collections of information under the Paperwork Reduction Act.

Executive Order 12866

Regulatory Flexibility Act

The Secretary hereby certifies that these regulatory amendments will not have a significant economic impact on a substantial number of small entities as they are defined in the Regulatory Flexibility Act, 5 U.S.C. 601-612. The
