[SGA 02-06]

Women's Bureau; Women in Apprenticeship and Nontraditional Occupations Act (WANTO) of 1992 FY-2002 Budget, Training and Employment Services (TES) 1601 77174

AGENCY: Women's Bureau, Department of Labor.

ACTION: Notice of availability of funds and solicitation for grant applications.

SUMMARY: The Women's Bureau, U.S. Department of Labor (DOL), announces the 2002 Solicitation for Grant Applications (SGA) authorized under the Women in Apprenticeship and Nontraditional Occupations (WANTO) Act of 1992. The purpose of this program is to assist employers and labor unions in the placement and retention of women in apprenticeship and nontraditional occupations. To that end, WANTO grant funds are disbursed to eligible community-based organizations, which, in turn, provide employers and labor unions with technical assistance geared towards the successful placement and retention of women in apprenticeship and nontraditional occupations.

DATES: One signed original, complete grant application plus two copies of the Technical Proposal and two copies of the Cost Proposal must be submitted. (To aid with the review of applications, USDOL also encourages Applicants to submit three additional copies of the technical proposal [six in total]. Applicants who do not provide additional copies will not be penalized.) The original and copies must be submitted by 5 p.m. EST, September 3, 2002. Hand-delivered applications must be received by that time. An application received after September 3, 2002, will not be considered unless:

1. It was sent by registered or certified mail not later than August 26, 2002;
2. It is determined by the Government that the late receipt was due solely to mishandling by the Government after receipt at the U.S. Department of Labor

at the address listed under **ADDRESSES**; or

3. It was sent by U.S. Postal Service Express Mail Next Day Service-Post Office to Addressee, not later than 5 p.m. EST on August 29, 2002.

The only acceptable evidence to establish the date of mailing of a late application sent by registered or certified mail is the U.S. Postal Service postmark on the envelope or wrapper and on the original receipt from the U.S. Postal Service. If the postmark is not legible, an application received after the specified time and date will be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (not a postage meter machine impression) that is readily identifiable without further action as having been applied and affixed by an employee of the U.S. Postal Service on the date of mailing. Therefore, applicants shall request that the postal clerk place a legible hand cancellation bull's-eye postmark on both the receipt and the wrapper or envelope.

The only acceptable evidence to establish the date of mailing of a late application sent by U.S. Postal Service Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in the preceding paragraph. Therefore, applicants shall request that the postal clerk place a legible hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

The only acceptable evidence to establish the time of receipt at the U.S. Department of Labor is the date/time stamp of the Office of Procurement Services on the application wrapper or other documentary evidence of receipt maintained by that office. Applications sent by other delivery services, such as Federal Express, UPS, etc., will also be accepted; however, the applicant bears the responsibility of timely submission.

ADDRESSES: Applications must be directed to the U.S. Department of Labor, Procurement Services Center, Attention: Cassandra Willis, Reference SGA 02-06, Room N-5416, 200 Constitution Avenue, NW., Washington, DC 20210.
