D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.

Committee for the Implementation of Textile Agreements

August 5, 2002.

Commissioner of Customs,
Department of the Treasury, Washington, DC 20229.

Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on November 27, 2001, by the Chairman, Committee for the Implementation of Textile Agreements. That directive concerns imports of certain cotton, wool and man-made fiber textiles and textile products and silk blend and other vegetable fiber apparel, produced or manufactured in Malaysia and exported during the twelve-month period which began on January 1, 2002 and extends through December 31, 2002.

Effective on August 12, 2002, you are directed to adjust the current limit for Categories 347/348 to 1,003,811 dozen¹, as provided for under the Uruguay Round Agreement on Textiles and Clothing

The Committee for the Implementation of Textile Agreements has determined that this action falls within the foreign affairs exception of the rulemaking provisions of 5 U.S.C. 553(a)(1).

Sincerely,

D. Michael Hutchinson,

Acting Chairman, Committee for the Implementation of Textile Agreements.

The OMB is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including whether the information will have practical utility;
- Evaluate the accuracy of the Corporation's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Propose ways to enhance the quality, utility and clarity of the information to be collected; and
- Propose ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Description

The AmeriCorps member application will gather data from applicants, including background information, educational history, skills and experience, and a motivational statement that AmeriCorps may use in evaluating their suitability for becoming a member and to place them in the most appropriate program(s) that match their skills and interests. The new application has very few changes from the previously approved application, and if approved, this application will continue to enable applicants to complete one application and be considered for multiple programs within AmeriCorps. This new application will continue to be cost-effective for the government by providing a centralized information source and streamlined process for receiving applications and placing them
