**[Docket No. RP02-397-000]**

**ANR Pipeline Company; Notice of Tariff Filing**

August 6, 2002.

Take notice that on July 29, 2002, ANR Pipeline Company (ANR) filed revised tariff sheets that propose changes to the procedures applicable to the Right of First Refusal (“ROFR”) in ANR’s FERC Gas Tariff. The changes are designed to (1) allow Shippers to exercise ROFR with respect to a

specified level of expiring capacity; and (2) provide for notice periods that allow ANR sufficient time to resell capacity that shippers do not wish to retain. ANR has proposed Primary Tariff Sheets that revise the currently effective tariff sheets and an Alternate Tariff Sheet that revises the pending tariff sheets that have been filed as part of ANR’s Order No. 637 settlement in Docket No. RP00-332-000. ANR proposes that the Primary Sheets be placed into effect on September 1, 2002, and that the Alternate Sheet be placed into effect upon acceptance of the pending sheets in Docket No. RP00-332-000.

Any person desiring to be heard or to protest said filing should file a motion
