National Fuel Gas Supply Corporation; Notice of Tariff Filing

August 6, 2002.

Take notice that on July 31, 2002, National Fuel Gas Supply Corporation (National) tendered for filing as part of its FERC Gas Tariff, Fourth Revised Volume No. 1, the following tariff sheet to become effective August 1, 2002: Forty Seventh Revised Sheet No. 9

National states that under Article II, Section 2, of the settlement, it is required to recalculate the maximum Interruptible Gathering (IG) rate semi-annually and monthly. Further, National is required to charge the recalculated monthly rate on the first day of the following month if the result is an IG rate more than 2 cents above or below the IG rate as calculated under Section 1 of Article II. The recalculation produced an IG rate of \$0.18 per dth. In addition, Article III, Section 1 states that any overruns of the Firm Gathering service provided by National shall be priced at the maximum IG rate.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public

inspection. This filing may also be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket#" and follow the instructions (call 202-208-2222 for assistance). Comments, protests and interventions may be filed electronically via the Internet in lieu of paper. The Commission strongly encourages electronic filings. Natural Gas Pipeline Company of America; Notice of Filing Final GSR Reconciliation Report

August 6, 2002.

Take notice that on August 1, 2002, Natural Gas Pipeline Company of America (Natural) tendered for filing its Final Reconciliation Report relating to Gas Supply Realignment (GSR) cost recovery.

Natural states that the purpose of this filing is to comply with section 38.10(b)(3) of the General Terms and Conditions of Natural's FERC Gas Tariff which requires Natural to file a Final Reconciliation Report within 9 months after the close of Natural's GSR extended collection period, which ended on November 30, 2001.

Natural states that copies of the filing are being mailed to its customers and interested state commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed on or before August 13, 2002. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection. Northwest Pipeline Corporation; Notice of Proposed Changes in FERC Gas Tariff

August 6, 2002.

Take notice that on August 1, 2002, Northwest Pipeline Corporation (Northwest) tendered for filing as part of its FERC Gas Tariff, Third Revised Volume No. 1, the following tariff sheets, to be effective October 1, 2002: Ninth Revised Sheet No.

231 Ninth Revised Sheet No. 231-A
Fourth Revised Sheet No. 231-B

Northwest states that the purpose of this filing is to change Northwest's current tariff provisions which require the fuel use requirements factor (Factor) applicable to its transportation rate schedules to be determined annually and instead provide for this Factor to be determined semi-annually.

Northwest states that a copy of this filing has been served upon Northwest's customers and interested state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. Pine Needle LNG Company, L.L.C.; Notice of Tariff Filing

August 6, 2002.

Take notice that on August 1, 2002 Pine Needle LNG Company, L.L.C. (Pine Needle) tendered for filing as part of its FERC Gas Tariff, Volume No. 1, Fourth Revised First Revised Sheet No. 4, to become effective September 1, 2002.

Pine Needle states that the tariff sheet submitted in the filing reflects a general rate increase. Pine Needle states that the cost of service proposed in the filing is \$21,074,411, compared to a cost of service of \$20,332,566 underlying Pine Needle's rates found just and reasonable in Docket No. CP96-52, as more fully described in the filing. Pine Needle states that the principal factor supporting the increase in cost of service is an increase in rate of return and related taxes.

Pine Needle further states that the filing reflects the following as related to its pre-filed methods: (1) A proposal to leave unchanged the annual depreciation rate of 2.5% for its operating facilities and (2) proposes an amortization rate of 10% for its in-house developed software—major systems Pine Needle states that copies of the filing are being mailed to each of its affected customers, interested State Commissions, and other interested parties.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's

TransColorado Gas Transmission Company; Notice of Tariff Filing

August 6, 2002.

Take notice that on July 30, 2002, TransColorado Gas Transmission Company (TransColorado) tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, the following tariff sheets, to be effective September 1, 2002,

Eighth Revised Sheet No. 247
Third Revised Sheet No. 247A
Second Revised Sheet No. 247B
Original Sheet No. 247C

TransColorado is proposing that it be permitted to assess a zero charge for the fuel component of its fuel gas reimbursement percentage (FGRP) and only charge the lost or gained and unaccounted-for gas component of its FGRP for specific backhaul and displacement transportation that it has specified in its revised tariff. TransColorado states that the backhaul and displacement transportation described in Section 12.9(d) to the General Terms and Conditions of its tariff will require no compression or consumption of fuel for any other purpose on TransColorado's system and

therefore should not be subjected to the fuel component of TransColorado's FGRP.

TransColorado states that a copy of this filing, with the privileged material removed, has been served upon TransColorado's customers, the Colorado Public Utilities Commission and New Mexico Public Utilities Commission.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's rules and regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings.
