

Vessel Proposed for Waiver of the U.S.-build Requirement

(1) Name of vessel and owner for which waiver is requested. Name of vessel: LA PANTHERE. Owner: Peter C. Gentry and Kathy Rae Longworth-Gentry.

(2) Size, capacity and tonnage of vessel. According to the applicant: "52.5 feet on deck, breadth 15 feet, depth 7 feet Tonnage: 20 GRT and 18 NRT."

(3) Intended use for vessel, including geographic region of intended operation and trade. According to the applicant:

"Occasional and seasonal charter use for small groups (12 or less) interested in learning sail handling and sailing properties of a square rigged, iron hulled Brigantine schooner. This use will be limited to the Atlantic Coast and Caribbean waters off the continental United States."

(4) Date and Place of construction and (if applicable) rebuilding. Date of construction: 1930. Place of construction: Baasrode Shipyards and Ironworks, Baasrode, Belgium.

(5) A statement on the impact this waiver will have on other commercial passenger vessel operators. According to the applicant: "We do not anticipate any adverse impact on current passenger operations as most all the operators in the region are larger, 50 passengers and up. Smaller vessel are not impacted as we have decidedly different vessel whose handling and sail characteristics differ markedly from those more modern, appealing to another sector of the interested public."

(6) A statement on the impact this waiver will have on U.S. shipyards. According to the applicant: "We do not anticipate any detrimental impact on US Shipyards, in fact our restoration of this vessel, due to her older style riveted iron hull may provide opportunities for US Shipyards to maintain skill sets that are being lost due to the predominance of welding and forging techniques over the last 50 years."

Requested Administrative Waiver of the Coastwise Trade Laws

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Invitation for public comments on a requested administrative waiver of the Coastwise Trade Laws for the vessel LEVITY.

SUMMARY: As authorized by Pub. L. 105-383, the Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to grant waivers of the U.S.-build requirement of the coastwise laws under certain circumstances. A request for such a waiver has been received by MARAD. The vessel, and a description of the proposed service, is listed below. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines that in accordance with Pub. L. 105-383 and MARAD's regulations at 46 CFR part 388 (65 FR 6905; February 11, 2000) that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels, a waiver will not be granted.

DATES: Submit comments on or before September 16, 2002.

ADDRESSES: Comments should refer to docket number MARAD-2002-13082.
