

shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), we have calculated importer-specific assessment rates based on the ratio of the total amount of antidumping duties calculated for the importer-specific sales to the total entered value of the same sales. Where the assessment rate is above de minimis, we will instruct Customs to assess duties on all entries of subject merchandise by that importer. The Department will issue appraisement instructions directly to Customs.⁴

Reimbursement of Duties

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305. Timely notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this determination and notice in accordance with sections 751(a)(1) and 777(i) of the Act.

Dated: August 8, 2002.

Faryar Shirzad,
Assistant Secretary for Import Administration.

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 16, 2002.

FOR FURTHER INFORMATION CONTACT:

David J. Goldberger at (202) 482-4136, or Brian Smith at (202) 482-1766, Office 2, AD/CVD Enforcement Group I, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C., 20230.

SUMMARY: The Department of Commerce is extending the time limit for the preliminary results of the administrative reviews of the antidumping duty order on certain preserved mushrooms from India, Indonesia, and the People's Republic of China, which cover the period February 1, 2001, through January 31, 2002.

SUPPLEMENTARY INFORMATION:

APPLICABLE STATUTE:

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended (the Act), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act. In addition, unless otherwise indicated, all citations to the Department of Commerce (the Department) regulations are to 19 C.F.R. Part 351 (April 2001).

Pursuant to section 751(a)(3)(A) of the Act, the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. The Act further provides, however, that the Department may extend that 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period. The preliminary results are currently scheduled to be completed on October 31, 2002. However, the Department finds that it is not practicable to complete the preliminary results in these administrative reviews of certain preserved mushrooms from India, Indonesia, and the People's Republic of

China within this time limit because additional time is needed to conduct verifications in all of these administrative reviews.

Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time for completion of the preliminary results of these reviews until February 28, 2003.

Dated: August 12, 2002.

Richard W. Moreland,

Deputy Assistant Secretary for Import Administration.
