SUPPLEMENTARY INFORMATION: VA is changing the System Location paragraph by deleting the phrase "District Counsel Offices" and replacing it with the phrase "Regional Counsel Offices" because the Office of General Counsel (OGC) reorganized its field offices, and in the course of that reorganization, renamed the remaining offices as "Regional Counsel Offices".

Changes to the Categories of Individuals Covered by the System and Categories of Records in the System reflect the addition of certain information on attorneys to the system of records, clarify the system description, and update the system description for consistency with current form designations.

Paragraph (2) under Categories of Individuals Covered by the System is rewritten to more clearly state the individuals covered, and to delete the redundant statement that claims agents are not attorneys. Under VA regulations, claims agents, by definition, are not attorneys. OGC is deleting the language currently in paragraph (4) because those records are now maintained by the Veterans Benefits Administration. The new paragraph (4) reflects records that OGC maintains on attorneys, and additional records that it will maintain under proposed regulations, once published in final form. The proposed rule was published at 63 FR 59495 (1998).

VA is amending three paragraphs under Categories of Records in the
