

Accordingly, it is appropriate to renew the pilot program for two more years to allow the Exchange to collect additional information about the desirability of the Supplemental Procedures. The modest rate of acceptance leads the Exchange to recommend that the alternatives be continued on a voluntary basis.

1. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b)(5)⁴ of the Act in that it promotes just and equitable principles of trade by ensuring that members and member organizations and the public have a fair and impartial forum for the resolution of their disputes.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule: (1) Does not significantly affect the protection of investors or the public interest; (2) does not impose any significant burden on competition; and (3) does not become operative for 30 days or such shorter time as the Commission may designate,⁵ the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁶ and subparagraph (f)(6) of Rule 19b-4 thereunder.⁷

The Commission also notes that under Rule 19b-4(f)(6)(iii), the proposal does not become operative for 30 days after date of its filing, or such shorter time as the Commission may designate it consistent with the protection of investors and the public interest. The Exchange requests a waiver of this 30-day period for the following reasons. First, the Supplemental Procedures are voluntary. Second, the Exchange notes that it based the Supplemental Procedures on the Uniform Code of

Arbitration developed by SICA. Finally, the Exchange notes that the Commission approved a similar rule change by the National Association of Securities Dealers, Inc. ("NASD") that provides for a list selection of arbitrators.⁸ For the reasons discussed above, the Commission designates that the waiver of the 30-day period is consistent with the protection of investors and the public interest.⁹

At any time within 60 days of the filing of the proposed rule change, as amended, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the NYSE. All submissions should refer to File No. SR-NYSE-2002-30 and should be submitted by September 12, 2002.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.¹⁰
