DATES AND PLACE: August 29, 2002, at 3 p.m. This meeting will take place via a telephone conference call. In light of the short notice of this meeting, OSTP will undertake to make this meeting available to the public through the following call-in number: 1-800-403-2017, access code: 186046. Any interested member of the public may call this number and listen to the meeting. To ensure the agency secures an appropriate number of lines, however, such persons are asked to register with OSTP by calling Cynthia Chase at 202-456-6010 by 4 p.m. on Wednesday, August 28, 2002.

TYPE OF MEETING: Open.

PROPOSED SCHEDULE AND AGENDA: The President's Council of Advisors on Science and Technology (PCAST) is tentatively scheduled to meet in open session on Thursday, August 29, 2002, at approximately 3 p.m., to discuss (and, pending the discussion, approve) a draft letter to the President on federal investments in research and development. This session will end at approximately 3:30 p.m.

PUBLIC COMMENTS: Written public comments are welcome at any time prior to the meeting. Please fax your comments to (202) 456-6021. In light of the compressed notice period for this meeting, public comments are also welcome for additional three business days after the meeting (i.e., up to close of business Wednesday, September 4, 2002). Please fax such comments to the same fax number noted above. The transcript of the meeting will be posted on the PCAST web site as soon as possible following the meeting.

In light of these exceptional circumstances, regular notice and meeting procedures would

prevent PCAST from rendering advice pertinent to these current events in a timely fashion.

FOR FURTHER INFORMATION CONTACT: Information on this meeting will be published on the PCAST Web site at: <http://www.ostp.gov/PCAST/pcast.html>. The draft report to be discussed during the call will be posted on this Web site at the earliest possible opportunity. Any updates on the scheduling of the conference call will also be posted. For additional information, please call Cynthia Chase at (202) 456-6010.

SUPPLEMENTARY INFORMATION: The President's Council of Advisors on Science and Technology was established by Executive Order 13226, on September 30, 2001. The purpose of PCAST is to advise the President on matters of science and technology policy, and to assist the President's National Science and Technology Council in securing private sector participation in its activities. The Council members are distinguished individuals appointed by the President from non-Federal sectors. The PCAST is co-chaired by Dr. John H. Marburger III, the Director of the Office of Science and Technology Policy, and by E. Floyd Kvamme, a Partner at Kleiner Perkins Caufield & Byers.
