If you have comments, especially on the estimated public burden or associated response time, suggestions, need a copy of the proposed information collection instrument with instructions or need additional information, please contact Patricia M. Good, Chief, Liaison and Policy Section, Office of Diversion Control, Drug Enforcement Administration, Washington, DC 20537.

Written comments and suggestions are requested from the public and affected agencies concerning the proposed collection of information. Your comments should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of this information collection:

(1) *Type of information collection:* New collection.

(2) *The title of the form/collection:* Prescription Monitoring Program Questionnaire.

(3) *The agency form number, if any, and the applicable component of the Department sponsoring the collection:* Form No.: None.

Applicable component of the Department sponsoring the collection: Office of Diversion Control, Drug Enforcement Administration, U.S. Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:*

Primary: State agencies.

Other: None.

Abstract: This questionnaire permits the Drug Enforcement Administration to compile and evaluate information regarding the design, implementation and operation of state prescription monitoring programs. Such information allows DEA to assist states in the

development of new programs designed to enhance the ability to both DEA and state authorities to prevent, detect, and investigate the diversion and abuse of controlled substances.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* 25 respondents. 1 response per year × 5 hours per response = 125 annual burden hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* 125 annual burden hours. 25 respondents × 5 hours per respondent per year.

If additional information is required contact: Robert B. Briggs, Department Clearance Officer, Information Management and Security Staff, Justice Management Division, United States Department of Justice, Patrick Henry Building, Suite 1600, 601 D Street, NW., Washington, DC 20530.

Dated: August 22, 2002.
