## DEPARTMENT OF EDUCATION

### Submission for OMB Review; Comment Request

**AGENCY:** Department of Education.  
**SUMMARY:** The Secretary of Education requests comments on the Free Application for Federal Student Aid (FAFSA) that the Secretary proposes to use for the 2003-2004 year. The FAFSA is completed by students and their families and the information submitted on the form is used to determine the students' eligibility and financial need for financial aid under the student financial assistance programs authorized under Title IV of the Higher Education Act of 1965, as amended, (Title IV, HEA Programs).

**DATES:** Interested persons are invited to submit comments on or before September 30, 2002.

**SUPPLEMENTARY INFORMATION:** Section 483 of the Higher Education Act of 1965, as amended (HEA), requires the Secretary, "in cooperation with agencies and organizations involved in providing student financial assistance," to "produce, distribute and process free of charge a common financial reporting form to be used to determine the need and eligibility of a student under" the Title IV, HEA Programs. This form is the FAFSA. In addition, Section 483 authorizes the Secretary to include non-financial data items that assist States in awarding State student financial assistance.

The Secretary requests comments on the draft 2003-2004 FAFSA that has

been posted to the IFAP website (see below). In particular, in an effort to continually improve the application for students, parents, and schools, the Secretary seeks comments to further simplify the FAFSA form and reduce burden hours, including removing, replacing or combining data elements. For example, replace questions 11 and 12, or questions 96 and 97 with a new question asking for the student's e-mail address.

The Secretary is considering additional skip logic to incorporate the simplified needs test and automatic zero expected family contribution to the FAFSA on the Web product, and requests comments regarding adding this functionality. The Secretary is publishing this request for comment under the provisions of the Paperwork Reduction Act of 1995, 44 U.S.C. 3501 *et seq.* Under that Act, ED must obtain the review and approval of the Office of Management and Budget (OMB) before it may use a form to collect information. However, under procedure for obtaining approval from OMB, ED must first obtain additional public comment on the proposed form and, to obtain that comment, ED must publish this notice in the **Federal Register**. In addition to comments requested above, to accommodate the requirements of the Paperwork Reduction Act, the Secretary is interested in receiving comments with regard to the following matters: (1) Is this collection necessary to the proper functions of the Department, (2) will this information be processed and used in a timely manner, (3) is the estimate of burden accurate, (4) how might the Department enhance the quality, utility, and clarity of the information to be collected, and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

### **Office of Elementary and Secondary Education; Impact Aid Discretionary Construction Grant Program; Notice Inviting Applications for New Awards for Fiscal Year (FY) 2002 Funds**

*Purpose of Program:* The Impact Aid Discretionary Construction Grant Program will provide grants to eligible Impact Aid districts to assist them in addressing their school facilities emergency and modernization needs. The intended recipient Impact Aid school districts have a limited ability to raise revenues for capital improvements because they have high percentages of federally connected students or a large percentage of Federal land. As a result, these districts find it difficult to respond when their school facilities are in need of emergency improvements or modernization.

*Eligible Applicants:* (A) To be eligible for an emergency construction grant, a local educational agency (LEA) must enroll a high percentage of federally connected children who reside on Indian lands or who reside on Federal property and have a parent on active duty in the U.S. uniformed services, have a school that enrolls a high percentage of one of these types of students, or be eligible for funding for heavily impacted LEAs under section 8003(b)(2) of the Elementary and Secondary Education Act of 1965 (the Act), as amended by the No Child Left Behind Act of 2001. Such factors as the LEA's total assessed value of real property that may be taxed for school purposes, its availability and use of bonding capacity, and the nature and severity of the emergency also will be considered as award criteria and, in some cases, eligibility criteria. (B) To be eligible for a modernization construction grant, an LEA must be eligible for Impact Aid funding in general; be eligible for funding for heavily impacted LEAs under section 8003(b)(2) of the Act; enroll a high percentage (at least 40 percent) of federally connected children who reside on Indian lands or who reside on Federal property and have a parent on active duty in the U.S. uniformed services; have a school that enrolls a high percentage of one of these types of students; or be eligible for funding under section 8002 of the Act (payments for Federal property). The Secretary must also consider such factors as an LEA's total assessed value of real property that may be taxed for school purposes, its availability and use of bonding capacity, and the nature and
