**Williams Gas Pipelines Central, Inc.; Notice of Motion to Make Tariff Sheets Effective**

August 23, 2002.

Take notice that on August 16, 2002, Williams Gas Pipelines Central, Inc. (Williams) tendered for filing as part of its FERC Gas Tariff, Original Volume No. 1, the tariff sheets listed on Appendix A to the filing, to become effective September 1, 2002.

Williams states that the tariff sheets are identical to the tariff sheets filed initially on March 1, 2002 to transition Williams from a monthly allocation pipeline to a daily allocation pipeline. On March 28, 2002, the Commission issued an order accepting the proposed tariff sheets and suspending their effective date until September 1, 2002, subject to refund and to the outcome of Williams' Order No. 637 proceeding in Docket No. RP00-494.

As Williams reserved its right to move the suspended sheets into effect through its March 1, 2002 filing, Williams hereby exercises its reserved rights and with the instant filing, moves the suspended tariff sheets into effect on September 1, 2002, consistent with the Suspension Order.

Williams states that copies of the revised tariff sheets are being mailed to Williams' jurisdictional customers and interested state commissions, as well as those appearing on the official service list for this docket.
