

levels of government, as specified in Executive Order 13132, entitled *Federalism* (64 FR 43255, August 10, 1999). Executive Order 13132 requires EPA to develop an accountable process to ensure "meaningful and timely input by State and local officials in the development of regulatory policies that have federalism implications." "Policies that have federalism implications" is defined in the Executive Order to include regulations that have "substantial direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government." This final rule directly regulates growers, food processors, food handlers, and food retailers, not States. This action does not alter the relationships or distribution of power and responsibilities established by Congress in the preemption provisions of FFDCA section 408(n)(4). For these same reasons, the Agency has determined that this rule does not have any "tribal implications" as described in Executive Order 13175, entitled *Consultation and Coordination with Indian Tribal Governments* (65 FR 67249, November 6, 2000). Executive Order 13175, requires EPA to develop an accountable process to ensure "meaningful and timely input by tribal officials in the development of regulatory policies that have tribal implications." "Policies that have tribal implications" is defined in the Executive Order to include regulations that have "substantial direct effects on

one or more Indian tribes, on the relationship between the Federal Government and the Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes." This rule will not have substantial direct effects on tribal governments, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes, as specified in Executive Order 13175. Thus, Executive Order 13175 does not apply to this rule.

IX. Submission to Congress and the Comptroller General

The Congressional Review Act, 5 U.S.C. 801 *et seq.*, as added by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before a rule may take effect, the agency promulgating the rule must submit a rule report, which includes a copy of the rule, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this rule and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of this final rule in the **Federal Register**. This final rule is not a "major rule" as defined by 5 U.S.C. 804(2).

[FMR Amendment B-1]

RIN 3090-AH53

Change in Consumer Price Index Minimal Value

AGENCY: Office of Governmentwide Policy, GSA.

ACTION: Final rule.

SUMMARY: Public Law 95-105 (5 U.S.C. 7342) requires that at 3-year intervals following January 1, 1981, minimal value be redefined by the Administrator of General Services, after consultation with the Secretary of State, to reflect changes in the Consumer Price Index for the immediately preceding 3-year period. The required consultation has been completed and the minimal value has been increased to mean \$285 or less as of January 1, 2002. This final rule also changes the meaning of sale price of foreign gifts and decorations to an employee by removing the requirement of including the cost of the appraisal in the sale price. The sale price is derived from only the commercially appraised value.

DATES: *Effective Date:* This final rule is effective January 1, 2002.

FOR FURTHER INFORMATION CONTACT: Mr. Robert Holcombe, Director, Personal Property Management Policy Division, General Services Administration, 202-501-3846. For information pertaining to status or publication schedules, contact the Regulatory Secretariat, Room 4035, GS Building, Washington, DC, 20405, (202) 208-7312. Please cite FMR Amendment B-1.

SUPPLEMENTARY INFORMATION:

A. Executive Order 12866

The General Services Administration (GSA) has determined that this final rule is not a significant regulatory action

for the purposes of Executive Order 12866 of September 30, 1993.

B. Regulatory Flexibility Act

This final rule is not required to be published in the **Federal Register** for notice and comment; therefore, the Regulatory Flexibility Act does not apply.

C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because this final rule does not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public which require the approval of the Office of Management and Budget (OMB) under 44 U.S.C. 3501, *et seq.*

D. Small Business Regulatory Enforcement Fairness Act

This final rule is also exempt from Congressional review prescribed under 5 U.S.C. 801 since it relates solely to agency management and personnel.

49 CFR Part 1511

[Docket No. TSA–2002–11334]

RIN 2110–AA02

Aviation Security Infrastructure Fees

AGENCY: Transportation Security Administration (TSA), DOT.

ACTION: Temporary Waiver of Audit Submission Requirements.

SUMMARY: TSA is issuing this document to inform all air carriers and foreign air carriers that it will not seek enforcement of the independent audit submission deadline set forth in the Aviation Security Infrastructure Fees regulation, under certain conditions.

FOR FURTHER INFORMATION CONTACT: For guidance on technical matters: Randall Fiertz, Acting Director of Revenue, (202) 385–1209. For guidance on legal or other matters: Steven Cohen, Office of Chief Counsel, (202) 493–1216.

SUPPLEMENTARY INFORMATION: In order to offset the costs of providing civil aviation security services, TSA published in the **Federal Register** an interim final rule (67 FR 7926; February 20, 2002), codified at 49 CFR part 1511, that imposed the Aviation Security Infrastructure Fee on air carriers and foreign air carriers engaged in air transportation, foreign air transportation, and intrastate air transportation.

Sections 1511.5 and 1511.7 require these carriers to provide TSA with certain information on their costs related to screening passengers and property incurred in 2000. This information was due to be received by TSA by May 18, 2002. Section 1511.9 requires each such carrier to also provide for and submit to TSA an independent audit of these costs, which were due to be received by TSA by July 1, 2002.

As reflected in the public docket on the Aviation Security Infrastructure Fee regulation, TSA–2002–11334, TSA denied several requests that it alter the audit requirement and extend the July 1, 2002 audit deadline.

However, on two occasions TSA announced that it would not seek enforcement against carriers that meet certain criteria by certain dates. The first announcement appeared in TSA’s “Guidance for the Aviation Security Infrastructure Fee,” as published in the **Federal Register** on May 1, 2002 (docket item no. 20). The second announcement was in TSA’s July 24, 2002, letter to the
