#### Hass Avocado Promotion, Research, and Information Order

**AGENCY:** Agricultural Marketing Service, USDA.

**ACTION:** Final rule.

**SUMMARY:** This final rule establishes the Hass Avocado Promotion, Research, and Information Order (Order). This industry-funded program is authorized under the Hass Avocado Promotion, Research, and Information Act of 2000 (Act). Under the Order, producers and importers will pay an initial assessment of 2.5 cents per pound on fresh Hass avocados produced in or imported into the United States for consumption in the United States. Exports of U.S. Hass avocados are exempt from assessment. Initially only fresh domestic and imported Hass avocados will be assessed. The Hass Avocado Board (Board) will be appointed by the U.S. Department of Agriculture (USDA or the Department) to conduct research, promotion, industry information, and consumer information needed for the maintenance, expansion, and development of domestic markets for Hass avocados.

**DATES:** Effective September 9, 2002. Collection and remittance of assessments and applicable reporting will begin on January 2, 2003.

**SUPPLEMENTARY INFORMATION:** This Order is issued under the Hass Avocado Promotion, Research, and Information Act of 2000 (Act) (7 U.S.C. 7801-7813), enacted on October 23, 2000.

**Prior documents:** Proposed rules on both the Order (66 FR 36870) and the referendum procedures (66 FR 36886) were published in the **Federal Register** on July 13, 2001, each with a 45-day comment period. Subsequently, the USDA published a notice in the **Federal Register** on August 28, 2001 (66 FR 4158), extending both comment periods by 15 days, to September 12, 2001. A second proposed rule on the Order (67 FR 7290) and a final rule on the referendum procedures (67 FR 7261) were published in the February 19, 2002, issue of the **Federal Register**. Corrections to both of these rulemakings were published in the March 25, 2002, issue of the **Federal Register** (67 FR 13563; 67 FR 13577). A referendum order was published in the April 9, 2002, issue of the **Federal Register** (67 FR 17018).

#### Question and Answer Overview

##### Why Is the Final Rule Being Published?

In a recent referendum, eligible producers and importers of Hass avocados voted in favor of implementing the Order. This action completes this rulemaking process.

##### What Is the Purpose of the Hass Avocado Program?

The purpose of the program is to increase consumption of Hass avocados in the United States.

##### Who Will Be Covered by the Program?

Producers and importers of Hass avocados will pay assessments under the program, and first handlers will be involved in the assessment collection process.

##### Who Will Sit on the Board?

The Act provides that there will be a 12-member Board consisting of seven domestic Hass avocado producers, two importers, and three additional members who can either be importers or domestic producers. The three "swing" seats will be allocated to producers and importers so as to assure as nearly as possible that the composition of the Board reflects the proportion of domestic production and imports supplying the United States market. The

proportion will be based on the average volume of domestic production and imports in the United States over the previous three years. Each member will have an alternate.

#### How Will Members of the Board Be Selected?

The Order provides for a nomination and election process to identify industry members who are interested and willing to serve on the Board. In the initial nomination process, the California Avocado Commission (Commission) will conduct an election to determine who will be nominated for each domestic producer seat. USDA will conduct an election among importers to determine who will be nominated to fill the importer seats. Two names must be submitted for each member and each alternate position. From the names submitted, USDA will appoint the members and alternates of the Board.

#### Executive Orders 12866 and 12988

This rule has been determined to be not significant for purposes of Executive Order 12866 and, therefore, has not been reviewed by the Office of Management and Budget.

This rule has been reviewed under E.O. 12988, Civil Justice Reform. It is not intended to have retroactive effect. Section 1212 of the Act states that the Act may not be construed to preempt or supersede any other program relating to Hass avocado promotion, research, industry information, and consumer information organized and operated under the laws of the United States or of a state.

Under Section 1207 of the Act, a person subject to the Order may file a petition with USDA stating that the Order, any provision for the Order, or any obligation imposed in connection with the Order, is not established in accordance with law, and requesting a modification of the Order or an exemption from the Order. Any petition filed challenging the Order, any provision of the Order, or any obligation imposed in connection with the Order, shall be filed within two years after the effective date of the Order, provision, or obligation subject to challenge in the petition. The petitioner will have the opportunity for a hearing on the petition. Thereafter, USDA will issue a ruling on the petition. The Act provides that the district court of the United States in any district in which the

petitioner resides or conducts business shall have the jurisdiction to review a final ruling on the petition, if the petitioner files a complaint for that purpose not later than 20 days after the date of the entry of USDA's final ruling.

### Regulatory Flexibility Act

In accordance with the Regulatory Flexibility Act (RFA) (5 U.S.C. 601 *et seq.*), the Agency has examined the impact of this rule on small entities and prepared a final regulatory flexibility analysis that was included in the proposed rule published in the **Federal Register** on February 19, 2002. This analysis indicates that the Agency minimized the economic impacts of the Order provisions on small entities to the fullest extent reasonably possible while adhering to the program's objectives.

In addition, the Order provisions were carefully reviewed, and every effort was made to minimize any unnecessary information collection and recordkeeping costs or requirements. In accordance with OMB regulation (5 CFR (part 1320) which implements the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the collection and recordkeeping requirements that are imposed by this Order were submitted to OMB and approved under OMB control numbers 0581-0197 and 0505-0001. The information collection numbers differ from what was published in the February 19, 2002, proposed rule because the rule inadvertently omitted OMB number 0505-0001 for the background nomination form. Section 1219.77 is corrected to add this OMB control number.

Copies of the final regulatory flexibility analysis and the discussion of the information collection and recordkeeping requirements contained in this rulemaking can be obtained from Julie Morin at the address listed above or by e-mail at *julie.morin@usda.gov*.

### Background

The Act authorizes the Department to establish a Hass avocado research, promotion, and information program. The program will be funded by an assessment levied on producers and importers of Hass avocados of 2.5 cents per pound of Hass avocados. The rate may be raised up to a maximum rate of 5 cents per pound. Exports of U.S. Hass avocados are exempt from assessment. The Act authorizes assessments on domestic Hass avocados and on imports of fresh, frozen, and processed Hass avocados. Initially, only fresh domestic and imported Hass avocados will be assessed.

The Board will use the funds to pay for research, promotion, industry information, and consumer information; administration, maintenance, and functioning of the Board; and expenses incurred by USDA in implementing and administering the Order, including referendum costs.

The Board will be composed of 12 voting members; 7 producers, 2 importers, and 3 producer and importers (swing seats). The three "swing" seats will be allocated to producers and importers so as to assure as nearly possible that the composition of the Board reflects the proportion of domestic production and imports supplying the United States market, based on the three-year average of domestic production and imports.

The producer assessment will be collected by first handlers, and the importer assessment will be collected by the U.S. Customs Service.

A state association of avocado producers (currently, the Commission) will receive 85 percent of the assessments paid by domestic producers, and importer associations will receive 85 percent of the assessments paid by their members. The state association could use the assessment funds to promote California Hass avocados in the United States, and the importer associations could use the assessments to promote Hass avocados on a country-of-origin basis in the United States. The funds remaining with the Board would be used to promote Hass avocados generically in the United States. The Board would also enter into contracts with the state association as provided for in the Act.

USDA issued a news release on January 8, 2001, requesting proposals for an initial Order or portions of an initial Order by February 7, 2001. A second news release, extending the deadline for submission of proposals to March 9, 2001, was issued on February 2, 2001.

An entire proposed Order was submitted by the Commission. In addition, proposals containing portions of an Order were submitted by the Asociacion de Productores y Empacadores Exportadores de Aguacate de Michoacan (APEAM); the Chilean Exporters Association (ASOEX); Chilean Fruit Growers Federation (FEDERUTA); and Comite de Paltas de Chile; and the New Zealand Avocado Growers Association (NZAGA) and the New Zealand Avocado Industry Council (NZAIC). USDA published a proposed rule on July 13, 2001, for comment. A second proposed rule was published on February 19, 2002. A referendum order that set the registration period from May

13-31, 2002, and voting period from June 24-July 12, 2002, was published on April 9, 2002. In the referendum, producers and importers of Hass avocados voted to implement the program.

The Order is summarized as follows: Sections 1219.1 through 1219.26 of the Order define certain terms, such as Hass avocado, handler, producer, and importer, which are used in the Order.

Sections 1219.30 through 1219.42 include provisions relating to the establishment, adjustment, and membership; nominations; appointment; term of office; vacancies; reimbursement; and the powers and duties of the Board.

The Board will be the body organized to administer the Order through the implementation of programs, plans, projects, budgets, and contracts to promote and disseminate information about Hass avocados, under the supervision of USDA. Further, the Board will be authorized to incur expenses necessary for the performance of its duties and to establish a reserve fund.

Sections 1219.50 through 1219.58 authorize the collection of assessments, specify who pays them and how, and specify persons who will be exempt from paying the assessment. The assessment rate may not exceed 5 cents per pound of Hass avocados. The assessment sections also outline the procedures to be followed by first handlers and importers for remitting assessments and establish interest charges for unpaid or late assessments.

Sections 1219.60 through 1219.65 concern reporting and recordkeeping requirements for persons subject to the Order; the confidentiality of information obtained from such books, records, or reports; and the maintenance of lists of importers and producers.

Sections 1219.70 through 1219.77 describe the rights of the Secretary of Agriculture; the authority for the Department to suspend or terminate the Order; proceedings after termination; the effect of termination or amendment; personal liability of Board members and staff; separability; amendments; and OMB control numbers.

### General Findings

The Department conducted a referendum among producers and importers of Hass avocados from June 24 through July 12, 2002, to determine whether the Order would become effective. The representative period for establishing voter eligibility was from January 1, 2000, through December 31, 2001. It is determined that a majority of the eligible producers and importers

voting in the referendum favored implementation of the Order. After consideration of all relevant materials presented, including the proposals, comments received, and the referendum results, it is found that the Order is consistent with and effectuates the policy and purpose of the Act.

Pursuant to the provision in 5 U.S.C. 553, it is found and determined that good cause exists for not postponing the effective date of this action until 30 days after publication in the **Federal Register** because: (1) The Act requires implementation of the Order if the Order is approved by the Hass avocado industry; (2) the industry approved the Order in a recent referendum; (3) the Order cannot be fully implemented until this rule becomes effective and the Board is appointed; and (4) no useful purpose would be served by delaying the effective date of this action. Further, collection and remittance of assessments and applicable reporting will begin on January 2, 2003. If the Board is not in place on the effective date of the Order, the Order provides for the Department to receive assessments on the Board's behalf.

**The Hass Avocado Board**

**§ 1219.30 Establishment and membership.**

(a) A Hass Avocado Board, called the Board elsewhere in this part, is hereby established to administer the terms and provisions of this subpart. The Board shall consist of 12 members nominated by the Hass avocado industry and appointed by the Secretary as provided in this subpart, each of whom shall have an alternate nominated and appointed in the same manner as members of the Board are nominated and appointed. Board members and alternates shall be domiciled in the United States.

(b) The membership of the Board shall be divided as follows:

(1) Seven members and their alternates shall be producers of Hass avocados that are subject to assessments under this subpart;

(2) Two members and their alternates shall be importers of Hass avocados that are subject to assessments under this subpart; and

(3) Three members shall be producers of Hass avocados that are subject to assessments under this subpart or importers of Hass avocados that are subject to assessments under this subpart. Producers and importers shall be allocated to these positions so as to assure as nearly as possible that the composition of the 12-member Board reflects the proportion of domestic production and imports supplying the United States market. Such proportion shall be based on the Secretary's determination of the average volume of domestic production and the average volume of imports into the United States market over the previous three years, based on all information available to the Secretary.

(c) Three years after the assessment of funds commences pursuant to this

subpart, and at the end of each three-year period thereafter, the Board shall review the production of domestic Hass avocados in the United States and the volume of imported Hass avocados on the basis of the amount of assessments collected from producers and importers over the immediately preceding three-year period and, if warranted, recommend to the Secretary the reapportionment of the positions authorized in paragraph (b)(3) of this section to reflect changes in the proportion of domestic Hass avocado production to the volume of imported Hass avocados, to the extent possible in the Act. A substantial activity means that the volume of a person's Hass avocado imports must exceed the volume of the person's production or handling of domestic Hass avocados.

**§ 1219.31 Initial nomination and appointment of producer members and alternates.**

(a) The Association will nominate producer members and alternates to serve on the Board in accordance with the following procedures.

(1) The Association shall establish a list of producers in the United States who are eligible to serve on the Board and notify all producers that they may nominate persons to serve as members and alternates on the Board.

(2) After names are received from the producers, the Association shall prepare a ballot with the names of all persons nominated and mail it to all producers to allow them the opportunity to vote for the persons who will represent their interests on the Board.

(3) After tabulating the vote, the Association shall announce the results and submit two names for each producer member and two names for each alternate producer member to the Secretary from the persons receiving the highest number of votes.

(b) The Secretary shall select the producer members and alternates of the Board from the names submitted by the Association. Following the selection of the producer members, the Secretary

shall select the alternate producer members. In selecting the alternate members, the Secretary shall consider the names submitted by the Association for each alternate member position along with the individuals whose names were submitted by the Association for each Board member position but were not selected for that position.

**§ 1219.32 Initial nomination and appointment of importer members and alternates.**

(a) The Department will conduct the nomination process for the initial importer members and alternates on the Board in accordance with the following procedures.

(1) The Department shall notify all known importers and importer organizations that they may nominate persons to serve as importer members and alternates on the Board.

(2) After names are received from the importers and importer organizations, the Department shall prepare a ballot with the names of all persons nominated and mail it to all known importers to allow them the opportunity to vote for the persons who will represent their interests on the Board.

(3) After tabulating the vote, the Department shall announce the results and submit two names for each importer member and two names for each alternate importer member to the Secretary from the persons receiving the highest number of votes.

(b) The Secretary shall select the importer members and alternates of the Board from the nominees elected by importers. Following the selection of the importer members, the Secretary shall select the alternate importer members. In selecting the alternate members, the Secretary shall consider the names for each alternate member position along with the individuals who were elected by importers for each Board member position but were not selected for that position.

**§ 1219.33 Subsequent nomination and appointment of Board members and alternates.**

The Board's staff shall announce at least 150 days in advance of the expiration of members' and alternates' terms that such terms are expiring and shall solicit nominations in accordance with procedures recommended by the Board and approved by the Secretary. Nominations for such positions should be submitted to the Secretary no less than 90 days prior to the expiration of the terms.

**§ 1219.34 Failure to nominate.**

In any case in which producers or importers fail to nominate individuals

for appointment to the Board, the Secretary may appoint individuals to fill vacancies from the appropriate segments of the industry.

**§ 1219.35 Term of office.**

The members and alternate members of the Board shall serve for terms of three years, except the members of the initial Board shall serve terms as follows: Four members and four alternates shall serve for two-year terms; four members and four alternates shall serve for three-year terms; and four members and four alternates shall serve for four-year terms. No member shall serve more than two consecutive three-year terms. Members and alternates serving initial two-year or four-year terms may serve for one additional three-year term. A Board member may serve as an alternate during the years the member is ineligible for a member position. Each term of office will end on October 31, with new terms of office beginning on November 1.

**§ 1219.36 Vacancies.**

(a) In the event any member or alternate of the Board ceases to be a member of the category of members from which the member was appointed to the Board, such member or alternate shall be disqualified from serving on the Board and the position shall automatically become vacant.

(b) If a member of the Board consistently refuses to perform the duties of a member of the Board, or if a member of the Board engages in acts of dishonesty or willful misconduct, the Board may recommend to the Secretary that the member be removed from office. If the Secretary finds that the recommendation of the Board shows adequate cause, the member shall be removed from office.

(c) Should any Board member position become vacant in the event of the death, removal, resignation, or disqualification, the alternate of that member shall automatically assume the position of said member. The alternate shall serve until the end of the member's normal term. If there is no alternate member to assume the position of member, the successor member and alternate shall be nominated and selected in the manner specified in §§ 1219.31, 1219.32, or 1219.33.

(d) Should any alternate member become vacant in the event of death, removal, resignation, or disqualification, the Board may nominate persons to serve for the unexpired term of such alternate member. The nomination shall be conducted at a regularly scheduled Board meeting as soon as practicable after the vacancy occurs. The Board may

solicit the names of nominees from producers and importers prior to the meeting and from the floor of the meeting. All nominees must meet the qualifications for nomination. The Board shall submit two nominees for each vacancy to the Secretary. A vacancy will not be required to be filled if the unexpired term is less than six months.

#### **§ 1219.37 Alternate members.**

An alternate member of the Board, during the absence of the member for whom the person is the alternate, shall act in the place and stead of such member and perform such duties as assigned.
