eligibility requirements of Sections 250
of the Trade Act must be met:

(1) That a significant number of
proportion of the workers in the
workers' firm, or an appropriate
subdivision thereof, (including workers
in any agricultural firm or appropriate
subdivision thereof) have become totally
or partially separated from employment
and either—

(2) that sales or production, or both,
of such firm or subdivision have
decreased absolutely,

(3) that imports from Mexico or
Canada of articles like or directly
competitive with articles produced by
such firm or subdivision have increased,
and that the increases imports
contributed importantly to such
workers' separations or threat of
separation and to the decline in sales or
production of such firm or subdivision;
or

(4) that there has been a shift in
production by such workers' firm or
subdivision to Mexico or Canada of
articles like or directly competitive with
articles which are produced by the firm
or subdivision.

Negative Determination NAFTA-TAA

In each of the following cases the
investigation revealed that criteria (3)
and (4) were not met. Imports from
Canada or Mexico did not contribute
importantly to workers' separations.
There was no shift in production from
the subject firm to Canada or Mexico
during the relevant period
