Requests for a public hearing should contain: (1) the party's name, address, and telephone number; (2) the number of participants; and, (3) to the extent practicable, an identification of the arguments to be raised at the hearing.

Unless otherwise notified by the Department, interested parties may submit case briefs within 30 days of the date of publication of this notice in accordance with section 351.309(c)(ii) of the Department's regulations. As part of the case brief, parties are encouraged to provide a summary of the arguments not to exceed five pages and a table of statutes, regulations, and cases cited. Rebuttal briefs, which must be limited

The Department will issue the final results of this administrative review, which will include the results of its analysis of issues raised in the briefs, within 120 days from the date of publication of these preliminary results, unless the time limit is extended.

Assessment Rates

Upon completion of this administrative review, the Department will determine, and Customs shall assess, antidumping duties on all appropriate entries. In accordance with 19 CFR 351.212(b)(1), we have calculated an exporter/importer (or customer)-specific assessment rate for merchandise subject to this review. The Department will issue appropriate assessment instructions directly to Customs within 15 days of publication of the final results of review. If these preliminary results are adopted in the final results of review, we will direct Customs to assess the resulting assessment rates, where appropriate, against the entered Customs values for the subject merchandise on each of the importer's/customer's entries during the review period.

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 351.402(f)(2) of the Department's regulations to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This administrative review and this notice are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.
