

II. Contractor Requirements

Under Contract No. 68-W0-2035, Syracuse Environmental Research Associates, Inc. and its subcontractor, Syracuse Research Corporation, will perform upon request by EPA: (1) Evaluate monitoring data and characterize the nature and extent of exposure using probabilistic techniques, (2) analyze effects data using state of the art statistical techniques and characterize ecological hazard, and (3) evaluate and analyze data from the open literature when state of the art statistical techniques are required and when specifically requested by EPA. The contractor may be required to develop new data analysis techniques or statistical methods; assessment tools and technologies, models, software, and create and/or populate data bases to review or complete an assessment.

OPP has determined that access by Syracuse Environmental Research Associates, Inc. and its subcontractor, Syracuse Research Corporation, to information on all pesticide chemicals is necessary for the performance of this contract.

Some of this information may be entitled to confidential treatment. The information has been submitted to EPA under sections 3, 4, 6, and 7 of FIFRA and under sections 408 and 409 of FFDCA.

In accordance with the requirements of 40 CFR 2.307(h)(2), the contract with Syracuse Environmental Research Associates, Inc. and its subcontractor, Syracuse Research Corporation, prohibits use of the information for any purpose not specified in the contract; prohibits disclosure of the information to a third party without prior written approval from the Agency; and requires that each official and employee of the contractor sign an agreement to protect the information from unauthorized release and to handle it in accordance with the FIFRA Information Security Manual. In addition, Syracuse Environmental Research Associates, Inc. and its subcontractor, Syracuse Research Corporation, are required to submit for EPA approval a security plan under which any CBI will be secured and protected against unauthorized release or compromise. No information will be provided to Syracuse Environmental Research Associates, Inc. and its subcontractor, Syracuse Research Corporation, until the requirements in this document have been fully satisfied. Records of information provided to Syracuse Environmental Research Associates, Inc. and its subcontractor, Syracuse Research Corporation, will be

maintained by EPA Project Officers for this contract. All information supplied to Syracuse Environmental Research Associates, Inc. and its subcontractor, Syracuse Research Corporation, by EPA for use in connection with this contract will be returned to EPA when Syracuse Environmental Research Associates, Inc. and its subcontractor, Syracuse Research Corporation, have completed their work.

Electronic comments may also be filed online at many Federal Depository Libraries.

D. How Should I Handle CBI That I Want To Submit to the Agency?

Do not submit any information electronically that you consider to be CBI. You may claim information that you submit to EPA in response to this document as CBI by marking any part or all of that information as CBI. Information so marked will not be

disclosed except in accordance with procedures set forth in 40 CFR part 2. In addition to one complete version of the comment that includes any information claimed as CBI, a copy of the comment that does not contain the information claimed as CBI must be submitted for inclusion in the public version of the official record. Information not marked confidential will be included in the public version of the official record without prior notice. If you have any questions about CBI or the procedures for claiming CBI, please consult the person listed under **FOR FURTHER INFORMATION CONTACT.**

E. What Should I Consider as I Prepare My Comments for EPA?

You may find the following suggestions helpful for preparing your comments:

1. Explain your views as clearly as possible.
2. Describe any assumptions that you used.
3. Provide copies of any technical information and/or data you used that support your views.
4. If you estimate potential burden or costs, explain how you arrived at the estimate that you provide.
5. Provide specific examples to illustrate your concerns.
6. Offer alternative ways to improve the registration activity.
7. Make sure to submit your comments by the deadline in this notice.
8. To ensure proper receipt by EPA, be sure to identify the docket ID number assigned to this action in the subject line on the first page of your response. You may also provide the name, date, and **Federal Register** citation.

Diazinon; Receipt of Requests for Amendments, and Cancellations

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: Several companies that manufacture diazinon [O,O-diethyl O-(2-isopropyl-6-methyl-4-pyrimidinyl) phosphorothioate] pesticide products have asked EPA to cancel or amend the registrations for their end-use products containing diazinon to delete all indoor uses, certain agricultural uses and certain outdoor non-agricultural uses. Pursuant to section 6(f)(1) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), EPA is announcing the Agency's receipt of these requests. These requests for voluntary termination of the above-mentioned uses through registration cancellations or amendments were submitted to EPA in December 2001, and January, February, March, April, May, June, and July 2002. EPA intends to grant these requests by issuing a cancellation order at the close of the comment period for
