Based on its Evaluation and the fact that no public comments were received, NMFS issued its final determination on the Tribal Plan on July 31, 2002.

#### Authority

Under section 4(d) of the ESA, NMFS, by delegated authority from the Secretary of Commerce, is required to adopt such regulations as it deems necessary and advisable for the conservation of the species listed as threatened. The ESA Tribal Plan Limit (65 FR 42481, July 10, 2000) states that the ESA section 9 take prohibitions will not apply to Tribal Plans provided NMFS determines that implementation of such Tribal Plans will not appreciably reduce the likelihood of survival and recovery of the listed salmonids.

Dated: September 9, 2002.
