Advisory Committee on Immunization Practices: Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463), the Centers for Disease Control and Prevention (CDC) announces the following Committee meeting:

Name: Advisory Committee on Immunization Practices (ACIP).

Times and Dates: 8:30 a.m.-6 p.m., October 16, 2002. 8 a.m.-2:45 p.m., October 17, 2002.

Place: Atlanta Marriott Century Center, 2000 Century Boulevard, NE., Atlanta, Georgia 30345-3377.

Status: Open to the public, limited only by the space available.

Purpose: The Committee is charged with advising the Director, CDC, on the appropriate uses of immunizing agents. In addition, under 42 U.S.C. 1396s, the Committee is mandated to establish and periodically review and, as appropriate, revise the list of vaccines for administration to vaccine-eligible children through the Vaccines for Children (VFC) program, along with schedules regarding the appropriate periodicity, dosage, and contraindications applicable to the vaccines.

Matters to be Discussed: The agenda will include an update on the smallpox vaccination policy; supplemental recommendations for smallpox; 2003 recommended childhood immunization schedule and catch-up child immunization schedule; recommendations for storage of vaccines; 2003 influenza vaccine recommendations; update on influenza vaccine supply; update from the National Immunization Program; update from the Department of Defense; update from the Food and Drug Administration; update from the National Institutes of Health; update from the National Vaccine Program Office; update from Vaccine Injury Compensation Program; update from the National Center for Infectious Diseases; public participation in formulating vaccine policy; vaccinating cochlear implant recipients for meningitis and pneumococcal disease; update on the effect of pneumococcal conjugate vaccine on disease; update on the Institute of Medicine Immunization Safety Review Committee meetings; and Glaxo SmithKline's combination DTaP-HepB-IPV vaccine. Agenda items are subject to change as priorities dictate.

For More Information Contact: Gloria A. Kovach, Program Analyst, Epidemiology and Surveillance Division, National Immunization Program, CDC, 1600 Clifton Road, NE., m/s E61, Atlanta, Georgia 30333. Telephone 404/639-8096.

The Director, Management Analysis and Services Office, has been delegated

the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Dated: September 11, 2002.

John Burckhardt,

Acting Director, Management Analysis and Services Office, , Centers for Disease Control and Prevention.

Advisory Committee on Training in Primary Care Medicine and Dentistry; Notice of Meeting

In accordance with section 10(a)(2) of the Federal Advisory Committee Act (Public Law 92-463), announcement is made of the following National Advisory body scheduled to meet during the month of October 2002.

Name: Advisory Committee on Training in Primary Care Medicine and Dentistry (ACTPCMD).

Date and Time: October 24, 2002; 8:30 a.m.-5 p.m. October 25, 2002; 8 a.m.-2:15 p.m.

Place: The Holiday Inn Select, 8120 Wisconsin Avenue, Bethesda, Maryland 20814.

The meeting is open to the public.

Purpose: The Advisory Committee provides advice and recommendations on a broad range of issues dealing with programs and activities authorized under section 747 of the Public Health Service Act as amended by The Health Professions Education Partnership Act of 1998, Public Law 105-392. This meeting will provide the basis for the third report of the Advisory Committee which will be submitted to Congress and the Secretary of the Department of Health and Human Services in November 2003. The third report will focus on disparities in health care and their implications in primary care medical education.

Agenda: The meeting on Thursday, October 24 will begin with welcoming and opening comments from the Chair and Executive Secretary of the Advisory Committee. A plenary session will follow, in which four speakers will characterize changing demographics, unequal medical treatment, and needed changes in medical education and their relationship to disparities in health care. The Advisory Committee will then divide into three workgroups which will focus on developing recommendations for improving primary care education and training to lessen health disparities and assure quality of care.
