following described public land from settlement, sale, location, or entry under the general land laws, including the mining laws, subject to valid existing rights:

Mount Diablo Meridian

T 19 N., R. 43 E.,
Sec. 13, lots 2, SW $\frac{1}{4}$ SE $\frac{1}{4}$ and
N $\frac{1}{2}$ N $\frac{1}{2}$ NW $\frac{1}{4}$ SE $\frac{1}{4}$.

The area described contains 94.21 acres in Lander County.

The purpose of the proposed withdrawal is to protect the public health and safety as well as to prevent the filing of mining and mill site claims which would interfere with the reclamation of the Bullion Monarch Mill site. The Bullion Monarch Mill was the site of milling operations for many decades. The area contains a flotation mill and associated facilities that can be hazardous to public users. The Bureau of Land Management intends to reclaim the site. A withdrawal would preclude the filing of mining and mill site claims while the site is being reclaimed.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the Nevada State Director of the Bureau of Land Management.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the Nevada State Director within 90 days from the date of publication of this notice. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** at least 30 days before the scheduled date of the meeting. The application will be processed in accordance with the regulations set forth in 43 CFR part 2300.

For a period of 2 years from the date of publication of this notice in the **Federal Register**, the lands will be segregated as specified above unless the application is denied or canceled or the withdrawal is approved prior to that date. Other uses which will be permitted during this segregative period are rights-of-way, leases, and permits.

Dated: August 7, 2002.

Jim Stobaugh,
Lands Team Lead.
