SUPPLEMENTARY INFORMATION: The Forest Service is seeking approval for a new information collection to implement a new landowner assistance program recently authorized through the Farm Security and Rural Investment Act of 2002. The first two collections (State Priority Plans and State Accomplishments Reports) are necessary for the Forest Service to manage the Forest Land Enhancement Program (also referred to as the

The remainder of the information (Application for Cost-Share Payments, Assignment of Payment, Power of Attorney 1, Power of Attorney 2, and Payment Limitation Requirements) will be collected from landowners requesting cost-share funds. Only the first form is mandatory for all applicants. In some States, this information may be collected by the Farm Services Agency. In other States, this information or similar information may be collected through State-managed or State-contracted services.

For the purposes of the Program, the term "State" includes any of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands of the United States, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.
