GFC Foam, LLC, West Hazelton, PA; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of February 7, 2002, the United Steel Workers of America, District 10 requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance (TA-W-40,188) and NAFTA-Transitional Adjustment Assistance (NAFTA-05386). The denial notice were signed on December 31, 2001 and published in the **Federal Register** on January 11, 2002 (67 FR 1510 & 1511, respectively).

The petitioner believes that major customers are importing polyurethane foam and therefore requests that the Department of Labor survey all customers of the subject plant.

On review of the request for reconsideration, it has been determined that the Department will conduct a survey of the major declining customers of the subject plant.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 17th day of June 2002.

Blauer Manufacturing Company, Inc., CAM Division, Chatom, AL and Oxford, MS; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Notice of Certification Regarding Eligibility to Apply for Worker Adjustment Assistance on April 23, 2002, applicable to workers of Blauer Manufacturing Company, Inc., Cam Division, located in Chatom, Alabama. The notice was published in the **Federal Register** on May 2, 2002 (67 FR 22113).

At the request of a petitioner, the Department reviewed the certification for workers of the subject firm. The company reports that a worker, Joe W. Perritt, worked at the Oxford, Mississippi plant of the subject firm, spending the vast majority of his time in support of the production of police outerwear and rainwear at the Chatom, Alabama plant. Mr. Perritt, is a resident of Tennessee, but was paid out of the Boston, Massachusetts, headquarters of Blauer Manufacturing.

The intent of the Department's certification is to include all workers of Blauer Manufacturing Company, Inc., who were affected by increased imports. Accordingly, the Department is amending the worker certification to include Joe Perritt, who was separated from the Oxford, Mississippi plant but in direct support of production at the Chatom, Alabama plant.

The amended notice applicable to TA-W-40,733 is hereby issued as follows:

All workers of CAM Division, Chatom, Alabama (TA-W-40,733), and Mr. Joe Perritt,
