INTERNATIONAL TRADE COMMISSION

[Investigation No. 731-TA-749 (Review)]

Persulfates From China

AGENCY: United States International Trade Commission.

ACTION: Scheduling of an expedited five-year review concerning the antidumping duty order on persulfates from China.

SUMMARY: The Commission hereby gives notice of the scheduling of an expedited review pursuant to section 751(c)(3) of the Tariff Act of 1930 (19 U.S.C. § 1675(c)(3)) (the Act) to determine whether revocation of the antidumping duty order on persulfates from China would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time. For further information concerning the conduct of this review and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

EFFECTIVE DATE: September 6, 2002.

FOR FURTHER INFORMATION CONTACT: Fred Ruggles (202-205-3187), Office of Investigations, U.S. International Trade Commission, 500 E Street SW., Washington, DC 20436. Hearing-impaired persons can obtain information on this matter by contacting the Commission's TDD terminal on 202-205-1810. Persons with mobility impairments who will need special assistance in gaining access to the Commission should contact the Office of the Secretary at 202-205-2000. General information concerning the Commission may also be obtained by accessing its internet server (<http://www.usitc.gov>).

SUPPLEMENTARY INFORMATION:

Background.—On September 6, 2002, the Commission determined that the domestic interested party response to its notice of institution (67 FR 38333, June 3, 2002) was adequate and the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant

conducting a full review.¹ Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act.

Staff report.—A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on October 3, 2002, and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before October 8, 2002, and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by October 8, 2002. However, should Commerce extend the time limit for its completion of the final results of its review, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules.

The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means. In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Authority: This review is being conducted under authority of title VII of the Tariff Act

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.

² The Commission has found the response submitted by FMC Corporation to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

By order of the Commission.
Issued: September 19, 2002.

Marilyn R. Abbott,

Secretary to the Commission.

BILLING CODE 4410-10-M

DEPARTMENT OF JUSTICE

[AAG/A Order No. 287-2002]

Privacy Act of 1974; System of Records

Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), notice is given that the Department of Justice proposes to establish a new Department-wide system of records entitled "Personnel Investigation and Security Clearance Records for the Department of Justice" DOJ-006, which generally covers the described records maintained by all components other than the Federal Bureau of Investigation (FBI). The Justice Management Division's (JMD's) system of records for background investigation records, "Security Clearance Information System," JMD-008, was previously published in the **Federal Register** at 55 FR 34629, dated Thursday, August 23, 1990. JMD maintains the personnel investigation and clearance records of certain categories of individuals, while the records of other categories of individuals are maintained by individual Bureaus and some other components. This notice of a new system of records replaces JMD's notice, and it also provides notice for components to the extent that they maintain records that are not covered by an existing system notice. For example, some components' personnel investigation and clearance records are covered by Office of Personnel Management (OPM)/Central-9 to the extent that the components maintain only a copy of what OPM maintains; however, to the extent that such components may also maintain additional personnel investigation and clearance records, as described in this notice, those records and any new compilation of the file are covered by this system notice. Disclosure determinations regarding any investigative records from an OPM or FBI investigation will be made only in accordance with the investigating agency's disclosure policies.

The purpose of publishing this Department-wide notice is to update and clarify what records are maintained by the Department, including the addition of certain categories of individuals and categories of records, and to increase administrative efficiency

by publishing a centralized notice, while providing the public with a relatively simple procedure for requesting access to such information. This system notice does not supersede systems of records covered by separately-noticed systems, except for JMD-008 and Subsystem O of INS-001.

Accordingly, this Department-wide system notice replaces, and the Department hereby removes, on the effective date of this notice, the following:

Justice Management Division, "Security Clearance Information System (SCIS)," Justice/JMD-008 (55 FR 34629, Aug. 23, 1990) Immigration and Naturalization Service, "Security Access Clearance Index," Justice/INS-001, Subsystem O only. INS-001 was last published at 58 FR 51847, October 5, 1993.

In accordance with 5 U.S.C. 552a(e)(4) and (11), the public is given a 30-day period in which to comment; and the Office of Management and Budget (OMB), which has oversight responsibility under the Act, requires a 40-day period in which to conclude its review of the system. Therefore, please submit any comments by October 24, 2002. The public, OMB, and the Congress are invited to submit any comments to Mary E. Cahill, Management and Planning Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Room 1400, National Place Building).

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and the Congress.

Dated: September 12, 2002.

Robert F. Diegelman,

Acting Assistant Attorney General for Administration.
