

proposed as a protective measure to preserve records relating to the prior price and allocation regulations for an additional three years.

II. Current Actions

This is an extension with no change of the existing requirements. The requirements are proposed to be extended for a period of three years, from December 31, 2002, to December 31, 2005.

III. Request for Comments

Prospective respondents and other interested parties should comment on the actions discussed in item II. The following guidelines are provided to assist in the preparation of comments.

General Issues

A. EIA is interested in receiving comments from persons regarding whether the proposed recordkeeping requirements are necessary for the proper performance of the functions of the agency and does the information have practical utility? Practical utility is defined as the actual usefulness of information to or for an agency, taking into account its accuracy, adequacy, reliability, timeliness, and the agency's ability to process the information it collects.

B. What enhancements can be made to the quality, utility, and clarity of the information to be collected?

As a Potential Respondent to the Request for Information

A. Are the instructions regarding the recordkeeping requirements clear and sufficient? If not, which instructions require clarification.

B. Can information be maintained as specified in the recordkeeping requirements?

C. Public reporting burden for the recordkeeping requirements are estimated to average 4 hours per respondent. The estimated burden includes the total time, effort, or financial resources expended to generate, maintain, retain, disclose and provide the information.

D. The agency estimates respondents will incur no additional costs other than the hours required to maintain the records. What is the estimated: (1) Total dollar amount annualized for capital and start-up costs, and (2) recurring annual costs of operation and maintenance, and purchase of services associated with these recordkeeping requirements.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB

approval of the form. They also will become a matter of public record.

Risk Management Programs Under Section 112(r)(7) of the Clean Air Act as Amended; Contractor Access to Confidential Business Information and Address Change for the Submission of Risk Management Plans

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: The EPA has authorized the following contractor to access information that has been, or will be, submitted to EPA under section 112(r) of the Clean Air Act (CAA) as amended: Computer Sciences Corporation (CSC) and its subcontractor, Creative Information Technology Inc. (CITI), (GSA Contract #GSOOT99ALD0203, expiring March 27, 2009). The EPA announces a new address to which Risk Management Plans (RMPs) are to be sent.

Some of the information submitted under section 112(r) may be claimed to be confidential business information (CBI) by the submitter.

DATES: Access to confidential data submitted to EPA will occur no sooner than October 7, 2002. RMPs may be sent to the new address effective September 25, 2002.

FOR FURTHER INFORMATION CONTACT: Dorothy McManus, Office of Solid Waste and Emergency Response, MC: 5104a, U.S. Environmental Protection Agency, Washington, DC 20460.

SUPPLEMENTARY INFORMATION: The EPA is issuing this notice to inform all submitters of information under section 112(r) of the CAA that EPA may provide the above mentioned contractor and its subcontractor access to these materials on a need-to-know basis. This contractor will provide technical support to the Office of Solid Waste and Emergency Response in the receipt, processing and

storage of risk management plans submitted to EPA under the CAA.

In accordance with 40 CFR 2.301(h), EPA has determined that the contractor and its subcontractor require access to CBI submitted to EPA under sections 112(r) and 114 of the CAA in order to perform work satisfactorily under the above noted contract. The contractor's and subcontractor's personnel will be given access to information submitted under section 112(r) of the CAA. Some of the information may be claimed or determined to be CBI. The contractor's and subcontractor's personnel will be required to sign nondisclosure agreements and will be permitted access to CBI. All contractor access to CAA CBI will take place at the contractor's facility. The contractor will have appropriate procedures and facilities in place to safeguard the CAA CBI to which the contractor and its subcontractor have access. Clearance for access to CBI is scheduled to expire on March 27, 2009 or at contract termination.

Risk Management Plans submitted to EPA should be mailed to: Risk Management Plan (RMP) Reporting Center, P.O. Box 1515, Lanham-Seabrook, MD 20703-1515. Courier deliveries and express mail should be addressed to the RMP Reporting Center, c/o CSC, Suite 300, 8400 Corporate Drive, New Carrollton, MD 20785.

Dated: September 13, 2002.

Deborah Y. Dietrich,

Director, Chemical Emergency Preparedness and Prevention Office, Office of Solid Waste and Emergency Response.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this Action Apply to Me?

This action is directed to the public in general. This action may, however, be of interest to persons who are or may be required to conduct testing of chemical substances under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) or the Federal Food, Drug and Cosmetic Act (FFDCA); environmental, human health, and agricultural advocates; pesticides users; and members of the public interested in the use of pesticides. Since other entities may also be interested, the Agency has not attempted to describe all the specific entities that may be affected by this action. If you have any questions regarding the applicability of this action to a particular entity, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

B. How Can I Get Copies of This Document and Other Related Information?

1. *Docket.* EPA has established an official public docket for this action under docket identification (ID) number OPP-2002-0251. The official public docket consists of the documents specifically referenced in this action, any public comments received, and other information related to this action. Although a part of the official docket,

the public docket does not include Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. The official public docket is the collection of materials that is available for public viewing at the Public Information and Records Integrity Branch (PIRIB), Rm. 119, Crystal Mall #2, 1921 Jefferson Davis Hwy., Arlington, VA. This docket facility is open from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The docket telephone number is (703) 305-5805.

2. *Electronic access.* You may access this **Federal Register** document electronically through the EPA Internet under the "**Federal Register**" listings at <http://www.epa.gov/fedrgstr/>. To access RED documents and RED fact sheets electronically, go directly to the REDs table on the EPA Office of Pesticide Programs Home Page, at <http://www.epa.gov/pesticides/reregistration/status.htm>.

An electronic version of the public docket is available through EPA's electronic public docket and comment system, EPA Dockets. You may use EPA Dockets at <http://www.epa.gov/edocket/> to submit or view public comments, access the index listing of the contents of the official public docket, and to access those documents in the public docket that are available electronically. Once in the system, select "search," then key in the appropriate docket ID number.

Certain types of information will not be placed in the EPA Dockets. Information claimed as CBI and other information whose disclosure is restricted by statute, which is not included in the official public docket, will not be available for public viewing in EPA's electronic public docket. EPA's policy is that copyrighted material will not be placed in EPA's electronic public docket but will be available only in printed, paper form in the official public docket. To the extent feasible, publicly available docket materials will be made available in EPA's electronic public docket. When a document is selected from the index list in EPA Dockets, the system will identify whether the document is available for viewing in EPA's electronic public docket. Although not all docket materials may be available electronically, you may still access any of the publicly available docket materials through the docket facility identified in Unit I.B.1. EPA intends to work towards providing electronic access to all of the publicly available docket materials through EPA's electronic public docket.

For public commenters, it is important to note that EPA's policy is
