

through February 28, 2002. This extension is made pursuant to section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended.

EFFECTIVE DATE: September 26, 2002.

FOR FURTHER INFORMATION CONTACT: Douglas Kirby or Scott Lindsay, AD/CVD Enforcement, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482-3782 or (202) 482-0780, respectively.

SUPPLEMENTARY INFORMATION:

Applicable Statutes and Regulations

Unless otherwise indicated, all citations to the statute are references to the provisions of the Tariff Act of 1930, as amended (the Act). In addition, unless otherwise indicated, all citations to the Department's regulations are to the provisions codified at 19 CFR part 351 (2002).

Statutory Time Limits

Section 351.214(i) of the regulations requires the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the new shipper review was initiated, and final results of review within 90 days after the date on which the preliminary results were issued. However, if the Department determines the issues are extraordinarily complicated, section 351.214(i)(2) of the regulations allows the Department to extend the deadline for the preliminary results to up to 300 days after the date on which the new shipper review was initiated.

Background

On March 29, 2002 the Department received a timely request from Weishan Zhenyu Foodstuff Co., Ltd. (Zhenyu), in accordance with section 751(a)(2)(B) of the Act and section 351.214(c) of the regulations, for a new shipper of the antidumping duty order on freshwater crawfish tail meat from the People's Republic of China ("PRC"), which has a September anniversary date. On April 23, 2002 the Department initiated this new shipper review covering the period September 1, 2001, through February 28, 2002. See *Freshwater Crawfish Tail Meat From the People's Republic of China: Initiation of New Shipper Antidumping Review* (67 FR 21218). The preliminary results of review are currently due October 20, 2002.

Extension of Time Limits for Preliminary Results

Pursuant to section 751(a)(2)(B) of the Act, the Department may extend the

deadline for completion of the preliminary results of a new shipper review if it determines that the case is extraordinarily complicated. The Department has determined that this case is extraordinarily complicated, and the preliminary results of this new shipper review cannot be completed within the statutory time limit of 180 days. The Department finds that this new shipper review is extraordinarily complicated because there are a number of issues that must be addressed. For example, the Department has prepared a supplemental questionnaire requesting additional information on the respondent's claims concerning affiliation and date of sale. Given the issues in this case, the Department may find it necessary to request even more information in this new shipper review. Therefore, in accordance with section 351.214(i)(2) of the regulations, the Department is extending the time limit for the completion of preliminary results by thirty-three days. The preliminary results will now be due no later than November 22, 2002.

This notice is published pursuant to sections 751(a)(2)(B) and 777(i)(1) of the Act.

Dated: September 19, 2002.

Joseph A. Spetrini,

Deputy Assistant Secretary for Import Administration, Group III.

In April 1998, the CFTC removed the prohibition of off-exchange trade options on the enumerated agricultural commodities subject to a number of regulatory requirements 63 FR 18821 (Apr. 16, 1998). Thereafter, the Commission streamlined the regulatory and paperwork burdens in order to

increase the utility of agricultural trade options while maintaining basic customer protections. 64 FR 68011 (Dec. 6, 1999). Based on its experience in administering this program, the Commission is reducing its estimates of

the burden of this collection of information based on revised assumptions of the number of firms and individuals that may apply for registration. Responses to the collection of information are mandatory pursuant

to section 4c(b) of the Commodity Exchange Act.

The Commission estimates the burden of this collection of information s follows:

17 CFR	Annual number of respondents	Frequency of response	Total annual responses	Hours per response	Total hours
17 CFR part 32	360	On occasion	411	5.59	2,301

There are no capital costs or operating and maintenance costs associated with this collection.

Dated: September 20, 2002.
