Pilot Project for Electronic Submission of Applications

In FY 2003, the U.S. Department of Education is continuing to expand its pilot project of electronic submission of applications to include additional formula grant programs and additional discretionary grant competitions. The International Research and Studies Program—CFDA 84.017A is one of the programs included in the pilot project. If you are an applicant under the International Research and Studies Program, you may submit your application to us in either electronic or paper format.

The pilot project involves the use of the Electronic Grant Application System (e-APPLICATION, formerly e-GAPS) portion of the Grant Administration and Payment System (GAPS). We request your participation in the pilot project. We shall continue to evaluate its success and solicit suggestions for improvement.

If you participate in this e-APPLICATION pilot, please note the following:

- Your participation is voluntary.
- You will not receive any additional point value or penalty because you submit a grant application in electronic or paper format.
- You can submit all documents, except transcripts, electronically, including the Application for Federal Assistance (ED 424), Budget Information-Non-Construction Programs (ED 524), and all necessary assurances and certifications.
- Within three working days of submitting your electronic application, fax a signed copy of the Application for Federal Assistance (ED 424) to the Application Control Center after following these steps:
 1. Print ED 424 from the e-APPLICATION system.
 2. Make sure that the institution's Authorizing Representative signs this form.
 3. Before faxing this form, submit your electronic application via the e-APPLICATION system. You will receive an automatic acknowledgement, which will include a PR/Award number (an identifying number unique to your application).
 4. Place the PR/Award number in the upper right hand corner of ED 424.
 5. Fax ED 424 to the Application Control Center at (202) 260-1349.

• We may request that you give us original signatures on all other forms at a later date.

Note: Please note that due to the Department's end of the fiscal year close out activities, the e-APPLICATION system will be unavailable on October 1. It will become available for users again on Wednesday, October 2.

You may access the electronic grant application for the International Research and Studies Program at: <http://e-grants.ed.gov>.

We have included additional information about the e-APPLICATION pilot project (see Parity Guidelines between Paper and Electronic Applications) in the application package.
