the African Growth and Opportunity
Act, Title I of the Trade and
Development Act of 2000**

AGENCY: Office of the United States
Trade Representative.

ACTION: Notice and Request for
Comments.

SUMMARY: The African Growth and
Opportunity Act Implementation
Subcommittee of the Trade Policy Staff
Committee (the "Subcommittee") is

sub-Saharan African countries to receive
the benefits of the African Growth and
Opportunity Act (AGOA). This notice
identifies the eligibility criteria that
must be considered under AGOA, lists
the sub-Saharan African countries that
are currently eligible for AGOA, and the
sub-Saharan African countries that are
currently ineligible for the AGOA. The
Subcommittee will consider any such
comments in developing
recommendations on country eligibility
for the President. Comments received
related to the child labor criteria may
also be considered by the Secretary of
Labor for the preparation of the
Department of Labor's report on child
labor as required under section 412(c) of
the Trade and Development Act of 2000.

DATES: Public comments are due at
USTR by noon, Monday, October 21,
2002.

mail: *FR0036@ustr.gov*. Submissions by
facsimile: Gloria Blue, Executive
Secretary, Trade Policy Staff Committee,

documents electronically rather than by

Trade Representative, 600 17th Street,

Constance Hamilton, Senior Director for
African Affairs, Office of the U.S. Trade
Representative, 600 17th Street, NW.,

SUPPLEMENTARY INFORMATION: The
AGOA amends Title V of the Trade Act
of 1974 (19 U.S.C. 2461 *et seq.*) (the

"Trade Act") to authorize the President
to designate sub-Saharan African
countries as eligible for duty-free tariff
treatment for certain products under the
Generalized System of Preferences
program (GSP). The AGOA also
authorizes the President to designate
sub-Saharan African countries as
eligible for the preferential treatment the
AGOA provides for certain textile and
apparel articles. A beneficiary sub-
Saharan African country may take
advantage of the preferential treatment
for certain textile and apparel articles
only if it meets certain statutory
requirements intended to prevent
unlawful transshipment of such articles.

The President may designate a
country as a beneficiary sub-Saharan
African country for both the additional
GSP benefits and the textile and apparel
benefits of the AGOA if he determines
that the country meets the eligibility
criteria set forth in: (1) Section 104 of
the AGOA; and (2) section 502 of the
Trade Act. To date, 36 countries have
been designated as beneficiary sub-
Saharan African countries. These
countries, as well as the 12 currently
ineligible countries are listed below.
Section 506A of the Trade Act provides
that the President shall monitor, review,
and report to Congress annually on the
progress of each sub-Saharan African
country in meeting the foregoing
eligibility criteria in order to determine
the current or potential eligibility of
each country to be designated as a
beneficiary sub-Saharan African
country. The President's determinations
will be included in the annual report
submitted to Congress as required by
Section 106 of the AGOA. Section 506A
of the Trade Act and section 104 of the
AGOA require that, if the President
determines that an eligible sub-Saharan
African country is not making continual
progress in meeting the eligibility
requirements, he must terminate the
designation of the country as a
beneficiary sub-Saharan African
country.

The Subcommittee is seeking public
comments in connection with the
annual review of the eligibility of sub-
Saharan African countries for the
AGOA's benefits. The Subcommittee
will consider any such comments in
developing recommendations on
country eligibility for the President.
Comments related to the child labor
criteria may also be considered by the
Secretary of Labor in making the
findings required under section 504 of
the Trade Act.

Surface Transportation Board

[STB Ex Parte No. 590]

Exemption for Railroad Agent Designation Under 49 U.S.C. 723

AGENCY: Surface Transportation Board.

ACTION: Notice of Proposed Exemption.

SUMMARY: The Surface Transportation Board (Board) is proposing an exemption from the statutory requirement that rail carriers designate agents in the District of Columbia on whom the Board may serve notices in proceedings. Because carriers have alternative methods of obtaining notice of Board actions, and because there is no apparent need for the Board to continue to serve agents with notice, the Board believes that designation of, and service on, agents in Board proceedings is no longer necessary.

DATES: Comments on this proposal are due October 28, 2002.
