SUPPLEMENTARY INFORMATION: On July 12, 2002, notice was published in the **Federal Register** (67 FR 46178) that a request for a scientific research permit to take loggerhead, Kemp's ridley, green and leatherback sea turtles had been submitted by the above-named individual. The requested permit has been issued under the authority of the Endangered Species Act of 1973, as amended (ESA; 16 U.S.C. 1531 *et seq.*) and the regulations governing the taking, importing, and exporting of endangered and threatened species (50 CFR parts 222-226).

The purpose of the research, as stated in the application, is to re-institute a long-term mark-recapture study in order to monitor the population levels and health status of sea turtles inhabiting the Long Island Sound and Peconic Bay Estuaries. Because these protected coastal waters are extremely important foraging areas for juvenile sea turtles, the establishment of a new research program will provide an ideal opportunity to gauge the trends and status of populations of sea turtles, and also to assess the health of the turtles and their critical ecosystems. This will be done by capturing sea turtles in pound nets then measuring, weighing, tagging, sampling blood and skin, and releasing them.

Issuance of this permit, as required by the ESA, was based on a finding that such permit (1) was applied for in good faith, (2) will not operate to the disadvantage of the endangered species which is the subject of this permit, and (3) is consistent with the purposes and policies set forth in section 2 of the ESA.

Title, Associated Form, and OMB Control Number: Appointment of Chaplains for the Military Services; DD Form 2088 and DD Form 2741; OMB Control Number 0704-0190.

Needs and Uses: Per 32 CFR part 65, in conjunction with 10 U.S.C. 532 and 591, professionally qualified clergy persons shall be appointed as chaplains to provide for the free exercise of religion for all members of the military services, their dependents, and other authorized persons. Since World War I, the professional qualifications of clergy have been certified by the faith group of which these clergy are members. Religious organizations register with the Department of Defense for the purpose of endorsing clergy as fully qualified to serve as chaplains in the armed forces. No clergy person may become a chaplain without this endorsement, and the loss of this endorsement constitutes a loss of professional status. It also certifies the number of years of professional experience for each candidate.

Department of Defense Directive 1304.19, "Appointment of Chaplains for the Military Services," requires that religious faith groups be officially registered by the Department of Defense in order to endorse chaplains to the Military Services. This information collection is needed to ensure that religious faith groups are appropriately organized and authorized by their constituencies to endorse clergy for service as chaplains in the Military Services.

The information in DD Form 2741, "Ecclesiastical Endorsing Organization Verification/Reverification," is collected whenever a religious faith group initially seeks registration with the Department of Defense as an
