III. What is the Agency Authority for Taking This Action?

Section 6(f)(1) of FIFRA provides that a registrant of a pesticide product may at any time request that any of its pesticide registrations be amended to delete one or more uses. The Act further provides that, before acting on the request, EPA must publish a notice of receipt of any such request in the **Federal Register**. Thereafter, the Administrator may approve such a request.

IV. Provisions for Disposition of Existing Stocks

The May 22, 2002, MOA specifies the disposition of existing stocks of products bearing any of the uses requested for deletion. If the Agency receives no comments that alter its intent to accept these use deletion requests, it will issue a Cancellation order with the existing stocks provisions discussed in this unit.

For the purpose of this notice, existing stocks refers to product that bears one or more of the uses listed in Unit II.

A. Manufacturing Use Products

The Agency intends to prohibit all sale, distribution and use of existing stocks of manufacturing use products by registrants no later than 90-calender days after EPA approves revised labels reflecting the use deletions.

B. End Use Products

The Agency intends to prohibit all sale and distribution by registrants of existing stocks of end-use products bearing labels with the deleted uses no later than 90-calender days after EPA approves revised labels reflecting the use deletions. The Agency does not intend to restrict the use of end-use products bearing the deleted uses.
