SUPPLEMENTARY INFORMATION:

Title: RCRA Hazardous Waste Permit Application and Modification, Part A, OMB No. 2050-0034, EPA ICR No. 0262.10, expiring October 31, 2002. This is a request for extension of a currently approved collection.

Abstract: Section 3010 of Subtitle C of RCRA, as amended, requires any person who generates or transports regulated waste or who owns or operates a facility for the treatment, storage, or disposal (TSDF) of regulated waste to notify EPA of their activities, including the location and general description of activities and the regulated wastes managed. Section 3005 of Subtitle C of RCRA requires TSDFs to obtain a permit. To obtain the permit, the TSDF must submit an application describing the facility's operation. There are two parts to the RCRA permit application—Part A and Part B. Part A defines the processes to be used for treatment, storage, and disposal of hazardous wastes; the design capacity of such processes; and the specific hazardous wastes to be handled at the facility. Part B requires detailed site specific information such as geologic, hydrologic, and engineering data.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR part 9 and 48 CFR Chapter 15. The **Federal Register** document required under 5 CFR 1320.8(d), soliciting comments on this collection of information was published on May 9, 2002 (67 FR 31300). No comments were received.

Burden Statement: The annual public reporting and recordkeeping burden for this collection of information is estimated to average 25 hours per response for an initial Part A Application and 13 hours per response

for a revised Part A application. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities:

Business or other for-profit, State, Local or Tribal Government.

Estimated Number of Respondents: 36

Frequency of Response: On occasion.

Estimated Total Annual Hour Burden: 576 hours.

Estimated Total Annualized Capital, Operating/ Maintenance Cost Burden: \$1,000.

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the following addresses. Please refer to EPA ICR No. 0262.10 and OMB Control No. 2050-0034 in any correspondence.

Dated: September 16, 2002.

Oscar Morales,

Director, Collection Strategies Division.
