DEPARTMENT OF TRANSPORTATION

National Highway Traffic Safety Administration

[U.S. DOT Docket Number NHTSA-2002-13387]

Reports, Forms, and Record Keeping Requirements

AGENCY: National Highway Traffic Safety Administration (NHTSA), Department of Transportation.

ACTION: Request for public comment on proposed collection of information.

SUMMARY: Before a Federal agency can collect certain information from the public, it must receive approval from the Office of Management and Budget (OMB). Under procedures established by the Paperwork Reduction Act of 1995, before seeking OMB approval, Federal agencies must solicit public comment on proposed collections of information, including extensions and reinstatement of previously approved collections.

This document describes one collection of information for which NHTSA intends to seek OMB approval.

DATES: Comments must be received on or before December 2, 2002.

ADDRESSES: Comments must refer to the docket notice numbers cited at the beginning of this notice and be submitted to Docket Management, Room PL-401, 400 Seventh Street, SW., Washington, DC 20590. Please identify the proposed collection of information for which a comment is provided, by referencing its OMB clearance number. It is requested, but not required, that 2 copies of the comment be provided. The Docket Section is open on weekdays from 10 a.m. to 5 p.m.

FOR FURTHER INFORMATION CONTACT: Luke Loy, Office of Safety Assurance, (NVS-233), Room 6115, 400 Seventh Street, SW., Washington, DC 20590. Mr. Loy's telephone number is (202) 366-5308. Please identify the relevant collection of information by referring to its OMB Control Number.

SUPPLEMENTARY INFORMATION: Under the Paperwork Reduction Act of 1995, before an agency submits a proposed collection of information to OMB for approval, it must first publish a document in the **Federal Register** providing a 60-day comment period and otherwise consult with members of the public and affected agencies concerning each proposed collection of information. The OMB has promulgated regulations describing what must be included in such a document. Under OMB's regulation (at 5 CFR 1320.8(d), an

agency must ask for public comment on the following:

- (i) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (ii) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (iii) How to enhance the quality, utility, and clarity of the information to be collected;
- (iv) How to minimize the burden of the collection of information on those who are to respond including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g. permitting electronic submission of responses.

In compliance with these requirements, NHTSA asks for public comments on the following proposed collections of information:

Title: Motor Vehicle Information.

Type of Request: Extension of a currently approved collection.

OMB Control Number: 2127-0002.

Affected Public: Those business or persons requesting to import motor vehicle into the United States.

Abstract: The National Highway Traffic Safety Administration's (NHTSA's) statute at 49 U.S.C. Subchapter III *Importing Noncomplying Motor Vehicles and Equipment* (49 U.S.C. section 30141 *et seq.*) requires that a motor vehicle which does not conform to applicable Federal Motor vehicle Safety Standards (FMVSS) be refused admission into the United States. NHTSA may authorize importation of nonconforming vehicles upon specified terms and conditions to insure that any such vehicle or equipment will be brought into conformity with all applicable FMVSS or will be exported out of or abandoned to the United States at no cost.

Estimated Annual Burden: 77,500.

Delmas Maxwell Johnson,

Associate Administrator for Administration.

In compliance with these requirements, NHTSA asks for public comments on the following proposed collections of information:

Title: Designation of Agent.

OMB Control Number: 2127-0040.

Affected Public: Business.

Form Number: This collection of information uses no standards forms.

Requested Expiration Date of Approval: Three years from date of approval.

Abstract: The U.S. agent is used to advise foreign manufacturers of safety related defects where laws vary from country to country. In turn, the manufacturer can notify U.S. purchasers and correct the defect.

Summary of the Collection of Information: This collection of information applies to motor vehicle and motor vehicle equipment manufacturers located outside of the United States (foreign manufacturers). Every manufacturer offering a motor vehicle or item of motor vehicle equipment for importation into the United States is statutorily required to designate in writing an agent upon whom service of all administrative and judicial processes, notices, orders, decisions and requirements may be made for and on behalf of the manufacturer. (49 U.S.C. 30164) These designations are required to be filed with NHTSA.

Description of the Need for the Information and Proposed Use of the Information: NHTSA needs this information in case it needs to advise a foreign manufacturer of a safety related defect in its products so that the manufacturer can, in turn, notify
