The Agency's Science Advisory Board (SAB) announced on June 19, 2002 (67 FR 41718-41721) that it was initiating the panel formation process for the review of the Environmental Protection Agency's Human Health Research Strategy. At that time, the SAB also solicited nominations for members of the expert panel that would be established to review the research strategy. The SAB also announced on September 12, 2002 (67 FR 57814-57815), its intention to hold two meetings to conduct this review.
