DEPARTMENT OF VETERANS AFFAIRS

**38 CFR Part 17
RIN 2900-AK38**

Enrollment—Provision of Hospital and Outpatient Care to Veterans

AGENCY: Department of Veterans Affairs.
ACTION: Final rule.

SUMMARY: VA’s medical regulations captioned “Enrollment—Provision of Hospital and Outpatient Care to Veterans” implement a national enrollment system to manage the delivery of inpatient hospital care and outpatient medical care. Prior to October 1, 2002, veterans were eligible to be enrolled based on seven priority categories. In this final rule we add veterans awarded the Purple Heart to priority category 3 to implement new statutory requirements. We also delete the copayment provisions from priority category 4 to clarify statutory requirements. In addition, we divide priority category 7 into two new priority categories (7 and 8) to implement new statutory requirements, using the subpriorities for former category 7 for these new categories. Further, we state principles for placing veterans in enrollment categories to help ensure clarity and fairness in making priority category determinations. Finally, we change the VA officials who can make enrollment decisions and provide an additional address for sending a request for voluntary disenrollment.

DATES: Effective Date: November 8, 2002.

FOR FURTHER INFORMATION CONTACT: Amy Hertz, Office of Policy and Planning (105D), at (202) 273-8934 or

Roscoe Butler, Chief Policy & Operations, Health Administration Service (10C3), at (202) 273-8302. These individuals are in the Veterans Health Administration of the Department of Veterans Affairs, and are located at 810 Vermont Avenue, NW., Washington, DC 20420.

SUPPLEMENTARY INFORMATION: In a document published in the **Federal Register** on July 23, 2002 (67 FR 48078), the Department of Veterans Affairs proposed to amend its enrollment regulations that manage the delivery of inpatient hospital care and outpatient medical care. We requested comments for a 30-day period that ended August 22, 2002, to allow for a final rule to be established in time to allow the VA Secretary to have as many options as possible concerning the provision of health care services to veterans in fiscal year 2003. We received no comments. Based on the rationale set forth in the proposed rule, we are adopting the proposed rule as a final rule.
