DEPARTMENT OF THE TREASURY

Departmental Offices; Privacy Act of 1974; System of Records

AGENCY: Departmental Offices, Treasury.

ACTION: Notice of Proposed New Privacy Act System of Records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, as amended, 5 U.S.C. 552a, the Treasury Department, Departmental Offices, gives notice of a newly proposed system of records, “Treasury/DO .214–DC Pensions Retirement Records.”

DATES: Comments must be received no later than November 8, 2002. The proposed new system of records will become effective November 18, 2002 unless comments are received which would result in a contrary determination.

ADDRESSES: Send written comments to Department of the Treasury, ATTN: Marc Rigrodsky, Office of the General Counsel, 1500 Pennsylvania Avenue NW., Room 1410, Washington, DC 20220, or to marc.rigrodsky@do.treas.gov.

FOR FURTHER INFORMATION CONTACT: Marc Rigrodsky, (202) 622–0450.

SUPPLEMENTARY INFORMATION: The Department of the Treasury (Department) is establishing the DC Pensions Retirement Records system to assist the Department in carrying out its responsibilities under Title XI of the Balanced Budget Act of 1997, Pub. L. 105–33, as amended (the Act), for

administering and paying retirement benefits for certain teachers, police officers, firefighters, and judges who were or are employed by the government of the District of Columbia (District). The Federal Government is responsible for paying police officers,' firefighters', and teachers' retirement benefits based upon service accrued through June 30, 1997. The District is responsible for paying benefits based upon service accrued after June 30, 1997. The Federal Government is responsible for paying judges' retirement benefits regardless of when they accrued. All benefit payments that are the responsibility of the Federal Government under the three District retirement programs (police-firefighters, teachers, and judges) are referred to herein as "Federal benefit payments." Benefit payments for service accrued after June 30, 1997, to which an individual is entitled under the District's Replacement Plan for police officers, firefighters and teachers, are the responsibility of the District.

This system of records will consist of information furnished by the subjects of the records, the District and other entities or persons that will enable the Department to calculate and verify eligibility for, and calculate amounts of, Federal benefit payments payable by the Department under the Act. The records in this system will be maintained indefinitely. Because records in the system are retrieved by individual identifier, including by name, social security number and an automatically assigned, system generated number, the Privacy Act of 1974, as amended, requires a general notice of the existence of this system of records to the public.

The new system of records report, as required by 5 U.S.C. 552a(r) of the Privacy Act, has been submitted to the Committee on Government Operations of the House of Representatives, the Committee on Governmental Affairs of the Senate, and the Office of Management and Budget, pursuant to Appendix I to OMB Circular A-130, "Federal Agency Responsibilities for Maintaining Records About Individuals," dated November 30, 2000.

The proposed system of records, "Treasury/DO .214-D.C. Pensions Retirement Records," is published in its entirety below.

Dated: October 2, 2002.
