National Highway Traffic Safety Administration

Reports, Forms and Record Keeping Requirements; Agency Information Collection Activity Under OMB Review

AGENCY: National Highway Traffic Safety Administration, DOT.

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), this notice announces that the Information Collection Request (ICR) abstracted below has been forwarded to the Office of Management and Budget (OMB) for review and comment. The ICR describes the nature of the information collections and their expected burden. The **Federal Register** Notice with a 60-day comment period was published on June 25, 2002 (67 FR 42844–42846).

DATES: Comments must be submitted on or before November 8, 2002.

FOR FURTHER INFORMATION CONTACT: George Person, National Highway Traffic Safety Administration, Office of Defects Investigation, 202–366–5210, 400 Seventh Street, SW., Room 5326, Washington, DC 20590.

SUPPLEMENTARY INFORMATION:

National Highway Traffic Safety Administration

Title: Reporting of Information and Documents About Potential Defects—Retention of Records 49 CFR part 579.

OMB Number: 2127–0616.

Type of Request: Extension of a currently approved collection.
Affected Public: Business or other for-profit.

Abstract: The Transportation Recall Enhancement, Accountability, and Documentation (TREAD) Act was enacted on November 1, 2000, Public Law 106–414. This Act includes a requirement that the National Highway Traffic Safety Administration (NHTSA) conduct Early Warning Reporting (EWR) rulemaking to require manufacturers of motor vehicles and motor vehicle equipment to submit information, periodically or upon NHTSA’s request, that includes claims for deaths and serious injuries, property damage data, communications to customers and others, information on incidents resulting in fatalities or serious injuries from possible defects in vehicles or equipment in the United States or in identical or substantially similar vehicles or equipment in a foreign country, and other information that would assist NHTSA in identifying potential safety-related defects. The intent of this legislation is to provide early warning of such potential safety-related defects.

Estimated Burden Hours: 240,284.
Number of Respondents: 444.

ADDRESSES: Send comments, within 30 days, to the Office of Information and Regulatory Affairs, Office of Management and Budget, 725–17th Street, NW., Washington, DC 20503, Attention NHTSA Desk Officer.

Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; the accuracy of the Department’s estimate of the burden of the proposed information collection; ways to enhance the quality, utility and clarity of the information to be

collected; and ways to minimize the burden of the collection of information on respondents, including the use of automated collection techniques or other forms of information technology.

A Comment to OMB is most effective if OMB receives it within 30 days of publication.

Issued in Washington, DC, on October 4, 2002.

Delmas Maxwell Johnson,
Associate Administrator for Administration.
