Background

Section 515 of the Treasury and General Appropriations Act for Fiscal Year 2001 (Pub. L. 106-554, 114 Stat. 2763) directs each agency subject to the Paperwork Reduction Act (44 U.S.C. chapter 35) to issue customized guidelines for ensuring the quality of the information it disseminates. The agencies were to base their guidelines on final guidelines issued by OMB and to post proposed guidelines by May 1, 2002. 67 FR 8452 (February 22, 2002).

Additional levels of quality standards are adopted as appropriate for specific categories of disseminated information. The OMB guidelines
