

More specifically, sections 926.3 and 926.4 of the rule implement the statutory eligibility requirements and provide guidance to an applicant on how it may satisfy such requirements.³ Section 926.5 authorizes the FHLBanks to approve or deny all applications for certification as a housing associate, subject to the statutory and regulatory requirements.⁴ Section 926.6 permits an applicant to appeal an FHLBank decision to deny certification to the Finance Board.⁵

Section 950.17 of the Finance Board regulations establishes the terms and conditions under which an FHLBank may make advances to a certified housing associate. Section 950.17 also imposes a continuing obligation on a housing associate to provide information necessary for the FHLBank to determine if the housing associate remains in compliance with applicable statutory and regulatory requirements.⁶

The information collection contained in sections 926.1 through 926.6 and section 950.17 of the Finance Board regulations is necessary to enable the FHLBanks to determine whether an applicant satisfies the statutory and regulatory requirements to be certified initially and to maintain its status as a housing associate eligible to receive FHLBank advances. The Finance Board requires and uses the information collection to determine whether to uphold or overrule an FHLBank decision to deny housing associate certification to an applicant.

The OMB control number for the information collection is 3069-0005. The OMB clearance for the information collection expires on November 30, 2002.

The likely respondents include applicants for housing associate certification and current housing associates.
