SUPPLEMENTARY INFORMATION:

Title of Information Collection: FNS-583, Employment and Training Program Activity Report.

OMB Number: 0584-0339.

Expiration Date: December 31, 2004.

Type of Request: Revision of a currently approved collection.

Abstract: Title 7 CFR 273.7(c)(6) requires State agencies to submit quarterly Employment and Training (E&T) Program Activity Reports containing monthly figures for participation in the program. The first quarter FNS-583 report includes the number of work-registered persons in a State as of October of the new fiscal year. On the fourth quarter FNS-583 report State agencies list the components of their E&T programs and the number of participants in each.

The currently approved FNS-583 report includes the number of participants newly work registered; work registrants exempted from the E&T Program; participants who volunteered and began an approved E&T component; E&T mandatory participants who began an approved E&T component; number of able-bodied adults without dependents (ABAWDs) exempted from the 3-month food stamp time limit under each State agency's 15 percent ABAWD exemption allowance; the number of filled and offered (unfilled) workfare slots in waived and unwaived geographic areas of the State; the number of filled and offered education and training slots in waived and unwaived geographic areas of the State; the amount of Federal 100 percent E&T funding spent on workfare slots that meet the requirements of Section 6(o)(2)(C) of the Food Stamp Act of 1977, as amended (the Act); and the amount of Federal 100 percent E&T funding spent on education and training slots that meet the requirements of section 6(o)(2)(B) of the Act.

On May 13, 2002, President Bush signed into law the Farm Bill—the Farm Security and Rural Investment Act of

2002 (Pub. L. 107-171). Title IV of the Farm Bill includes Section 4121, Employment and Training Program, which was effective upon enactment. Section 4121 includes several major revisions, one of which significantly affects the information collection on the FNS-583 by eliminating the maximum reimbursement rates for offering and filling qualifying education/training and workfare opportunities for ABAWDs (slot rates). Thus, the information reporting the numbers of filled and offered education/training slots and workfare slots in waived and unwaived geographic areas is no longer required. Additionally, we are taking this opportunity to further revise and streamline the FNS-583 report by condensing, combining, or eliminating other information collection requirements.
